

Access to RMCC documents on RTA Website

Background

Following the introduction of the new Road Maintenance Council Contracts (RMCC's) in October 2008, RTA had also developed an RMCC webpage on it's website for the purpose of providing Council with easy access to the relevant RMCC documents.

Recent feedback received indicates that some Council staff are not aware of this web based facility and / or it's web address. This Newsletter aims at communicating the availability of this resource to Council staff.

RMCC Web Address

The website can be accessed by copy and pasting or typing the following address :

<http://www.rta.nsw.gov.au/doingbusinesswithus/lgr/downloads/information/rmcc.html>

The RMCC website can also be accessed by typing in:

www.rta.nsw.gov.au and then clicking on:

- **Partners and suppliers** followed by:
- **Local Government Relations** and then clicking
- **Road maintenance council contracts**

Contents of the RMCC Webpage

The webpage contains information relating to the RMCC and is summarised under the following headings:

- Contract Documents and Guidelines
- PAI Insurance Forms and Guidelines
- Newsletters

- Model Management Plans
- Activity List, RMAP's and Pay Items
- Reports
- Presentations to Councils

It is recommended that Council use this website and also provide feedback to RTA for its improvement.

Other Information

Council's should also be aware that other LGA related information of interest to them is also available on the same website and can be accessed through the same website using the path

- **Partners and Suppliers**
- **Local Government Relations**

or by typing in the following address:

<http://www.rta.nsw.gov.au/doingbusinesswithus/lgr/index.html>
