Port of Port Macquarie

The Port of Port Macquarie comprises the navigable waters of the main channel of the Hastings River below the mean high water mark from the river entrance to the eastern side of the Dennis Bridge carrying the Pacific Highway, together with the navigable waters of the slipway cove in the southern bank of the river immediately east of the Dennis Bridge, and that part of the Tasman Sea below the mean high water mark enclosed by the arc of a circle of radius three nautical miles centred on the navigation light at the eastern extremity of the southern breakwater at the river entrance.
