May 2018

## The upgraded Abbotsford Wharf will open on Tuesday 5 June.

The wharf has been upgraded as part of the NSW Government's Transport Access Program – an initiative to deliver modern, safe and accessible transport infrastructure across the state. The upgrade to Abbotsford Wharf will help improve safety, accessibility and comfort for customers and make boarding and disembarking quicker and easier.

F3 Parramatta River ferry services will resume from 6.00am on Tuesday 5 June from Abbotsford Wharf. The temporary shuttle bus, route 437, to Chiswick will no longer operate.

Customers can visit [transportnsw.info](http://transportnsw.info) or call **Transport Info** on **131 500** for timetable and service information.

Thank you for your patience during construction of the new wharf. If you have any questions, please contact the wharf upgrade project team on **1800 770 973** or email **[WharfUpgradeProgram@rms.nsw.gov.au](mailto:WharfUpgradeProgram@rms.nsw.gov.au)**.
