

# Abbotsford Wharf upgrade

September 2017

An artist's impression of the proposed new Abbotsford Wharf viewed from the water

 **Upgrading  
Sydney ferry wharves**

## The NSW Government is upgrading Abbotsford Wharf as part of the Transport Access Program.

The NSW Government is upgrading Abbotsford Wharf as part of the Transport Access Program.

The wharf upgrade will provide:

- ▶ protection from the wind, rain and sun
- ▶ improved seating and waiting areas
- ▶ improved access for mobility impaired customers and customers with prams
- ▶ quicker and more efficient ferry boarding and disembarking.
- ▶ effective wayfinding signage and lighting.

Following consultation and feedback on the proposed concept design in May and June 2017, the proposed design has been revised to include cover on the gangway and a new covered wharf entry.

The Review of Environmental Factors has been prepared and will be displayed for community feedback from **Wednesday 20 September to Wednesday 25 October 2017**.

The Review of Environmental Factors outlines details of the proposed upgrade, potential project impacts and how these will be managed. The document also incorporates feedback from the community heard during consultation.

The Review of Environmental Factors and information on how to provide feedback will be on public display at the following locations:

- ▶ Five Dock Library, 4-12 Garfield Street, Five Dock
- ▶ Roads and Maritime Services, 20-44 Ennis Road, Milsons Point
- ▶ [www.rms.nsw.gov.au/abbotsford-wharf](http://www.rms.nsw.gov.au/abbotsford-wharf)

Feedback must be received by **Wednesday 25 October 2017** and can be sent to:
