

## Temporary traffic changes on Wharf Road, Batemans Bay

The NSW Government is upgrading the Batemans Bay Bridge and connecting highways to improve safety, increase road capacity and improve traffic flow.

### What are we doing?

As part of the Batemans Bay Bridge replacement project, the southbound slip lane from the Princes Highway onto Wharf Road will be closed between **7am and 6pm** from **Thursday 17 March to Friday 18 March**, weather permitting, to allow for asphaltting works.

Should the work need to be postponed, new dates will be advertised on variable message signs along the highway and on the project website.

### How will the work affect you?

There will be some temporary traffic changes during this work and road users are advised to drive to conditions and follow the direction of signs and traffic control.

This includes a temporary detour via Peninsula Drive as shown on the map over the page.

Properties impacted by this work will be contacted directly by a project team representative.

There will be noise associated with this work. Work will include the use of asphalt paving machinery, rollers and construction vehicles.

Pedestrian access to Wharf Road will remain open at all times during this work and pedestrians are advised to follow the direction of signs and traffic controllers.

### Contact

If you have any questions, please contact the project team on 1800 870 119 or [BatemansBayBridge@jhg.com.au](mailto:BatemansBayBridge@jhg.com.au).

For more information on the project, visit [nswroads.work/batemansbaybridge](https://nswroads.work/batemansbaybridge).

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 0407 063 207.
