

New right turn restrictions on Botany Road, Beaconsfield

Transport for NSW is removing the right turn from Botany Road into Johnson Street and from Botany Road into Reserve Street. The permanent full-time 'No Right Turn' restrictions will help to reduce traffic congestion, improving traffic flow and pedestrian safety.

The work will involve installing new 'No Right Turn' signs at the intersections. A temporary electronic message sign will be on display on Botany Road to alert motorists of the upcoming changes. A map of the new restrictions and alternate route can be found on the other side of this notice.

In July this year we invited the community to provide feedback on our proposal to install 'No Right Turn' restrictions – you can read a summary of the comments we received and our responses in the consultation report on our website: nswroads.work/botanyrd

We listened to what you had to say and this is what we learnt:

75%

travel Botany Road
by car

6 out of 10

with traffic congestion
concerns

7 out of 10

support no right turn
into Johnston Street

almost

5 out of 10

support no right turn
into Reserve Street

Our work schedule

We will be on site for **one night shift** on Tuesday **27 October**, weather permitting. Our night work hours will be between **10 pm** and **3 am**.

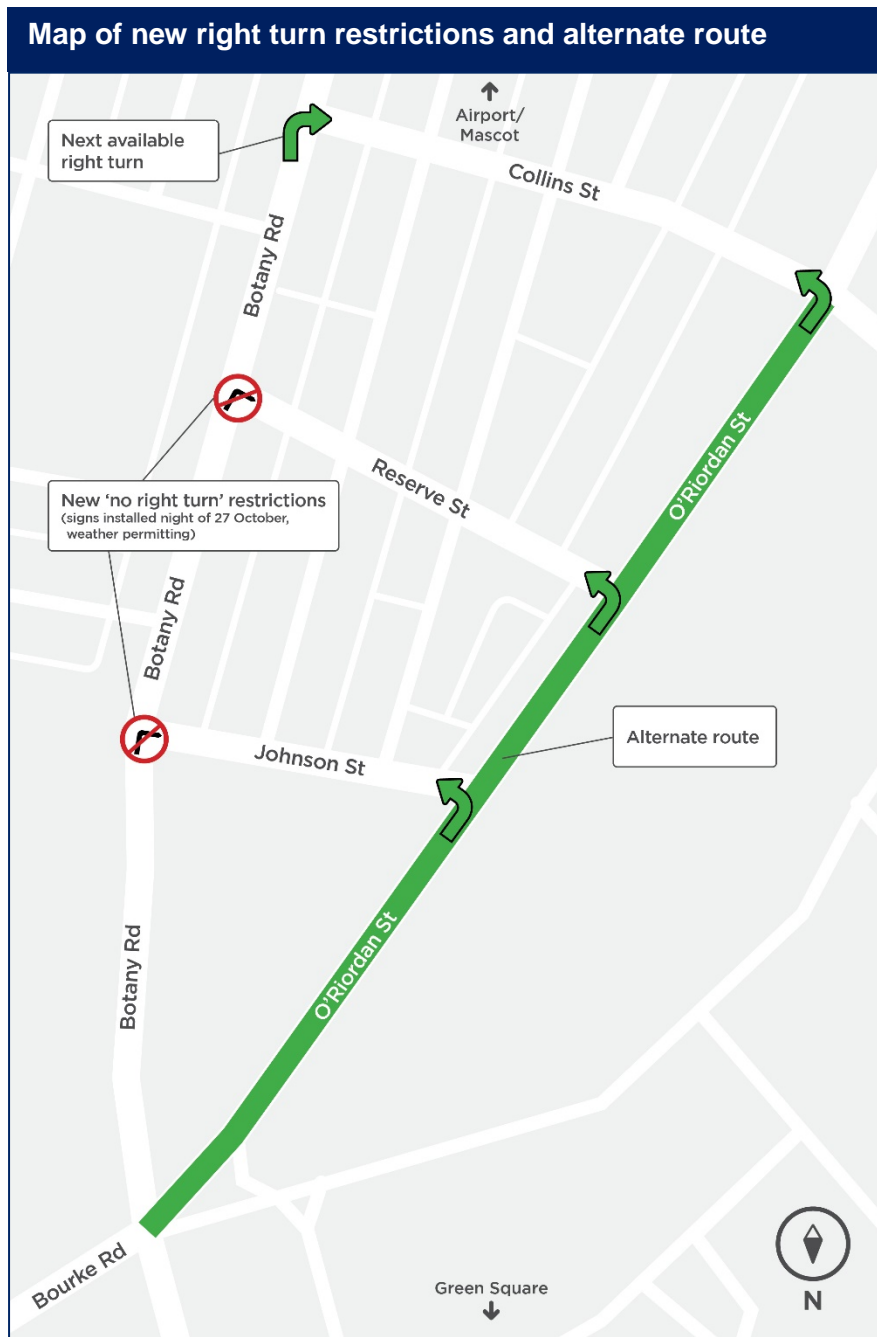

How will the work affect you?

We don't anticipate any noise impacts and all traffic lanes will remain open during the work.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

For more information visit our project webpage nswroads.work/botanyrd, email us at Benjamin.Borger@transport.nsw.gov.au, or phone us on 0408 064 433. Thank you for your patience during this important work.
