BUILDING OUR FUTURE

June 2018

Extension of the temporary closure of Eastwood Road and Bringelly Road intersection, Leppington from Monday 2 July 2018

The Australian and NSW governments are funding this work as part of the \$509 million Bringelly Road upgrade between Camden Valley Way, Leppington, and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

As part of this Bringelly Road upgrade, Roads and Maritime Services is upgrading intersections along Bringelly Road. This work involves temporarily closing Eastwood Road, Leppington.

Due to slower than expected progress to date, the temporary closure of Eastwood Road and Bringelly Road intersection will be extended until the end of the project in late 2018, weather permitting. We apologise for this continued inconvenience.

The existing temporary detour will remain in place to direct traffic around the work. The attached map shows the temporary closure and detour.

How will the work affect you?

Our work may be noisy at times but every effort will be made to minimise the impact on residents.

Traffic changes

A detour will be in place via Rickard Road, Ingleburn Road and Eastwood Road.
