BUILDING OUR FUTURE

December 2016

Continued closure of Edmondson Avenue, between Bringelly Road and Fifth Avenue, Austral from Thursday 22 December

The Australian and NSW governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

As part of the Bringelly Road Upgrade, a section of Edmondson Avenue will remain temporarily closed for safety reasons. The closure of Edmondson Avenue between Bringelly Road and Fifth Avenue will now be extended from **Thursday 22 December 2016** until **late January 2017**, weather permitting.

A detour will remain in place to direct traffic around the work. The attached map helps to explain the location of the work and the detour.

How will the work affect you?

There will be some noise associated with this work during normal work hours, but every effort will be made to minimise the impact on residents.

Traffic changes

All regular Edmondson Avenue through traffic will continue to be detoured via Fourth Avenue, Fifth Avenue and back on to Edmondson Avenue.

Local access to Edmondson Avenue will continue be provided for the WV Scott Memorial Park from Fifth Avenue. No other private properties will be impacted by the temporary closure.

Pedestrian and cyclist access along Edmondson Avenue will be maintained.

Electronic message signs will be in place to direct road users around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
