BUILDING OUR FUTURE

March 2016

Night work at the intersection of Bringelly Road and Cowpasture Road south, Leppington from Wednesday 30 March

The Australian and NSW governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.

Roads and Maritime Services is continuing to deliver this important project. As part of the project, we will be carrying out night work to connect water main pipes at the intersection of Bringelly Road and Cowpasture Road south (between Bringelly Road and Camden Valley Way).

Night works will be carried out together with Sydney Water on **Wednesday 30 March 2016**, weather permitting. Our work hours will be from **7pm to 5am**. In the event of wet weather, the work will take place on the next available night shift.

The attached map helps to explain the location of the work.

How will the work affect you?

There will be some noise associated with this work, but every effort will be made to minimise the impact on residents.

Traffic changes

All private property access will be maintained during the work. Pedestrian and cyclist access will also be maintained.

There may be some short delays to traffic along Cowpasture Road south. Traffic control will be in place to direct motorists around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Western Sydney Infrastructure Plan

The Australian and NSW governments are jointly funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek.
