## Temporary closure of Browns Road, Leppington, from Monday 14 September

The Australian and NSW governments are funding this work as part of the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and King Street, Rossmore. The project is part of the Western Sydney Infrastructure Plan.

### Browns Road temporary closure and detour

Roads and Maritime Services will carry out work to build a new section of Browns Road to link with the upgraded intersection at Bringelly Road. The work will include relocating utilities, earthworks, line marking and building the new road. This work will be carried out between **Monday 14 September** and **Saturday 10 October**, weather permitting. Our working hours will be **7am to 6pm** Monday to Friday and **8am to 1pm** on Saturdays.

### How will the work affect you?

Some work may be noisy, but every effort will be made to minimise the impact on residents. Our contractors will use water carts and cover their loads to minimise dust.

### Traffic changes

A temporary closure of Browns Road between Bringelly Road and Fifth Avenue is needed to ensure the safety of road users and workers. Local access will be maintained for Browns Road residents, pedestrians and cyclists. East-west traffic will detour along Seventh Avenue and Bringelly Road while north-south traffic will be diverted along Browns Road and Edmondson Avenue. Please see the detour map overleaf to better explain the changes.

Bus services will follow the new detour but the operation of bus stops will not be affected.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App for iPhone, iPad and Android.

## Western Sydney Infrastructure Plan

The Australian and NSW governments are funding a 10 year, \$3.6 billion road investment program for western Sydney. The Western Sydney Infrastructure Plan (WSIP) will deliver major road infrastructure upgrades to support integrated transport for the region and capitalise on the economic benefits from developing a western Sydney airport at Badgerys Creek. For more information on WSIP projects, visit [rms.nsw.gov.au/wsip](https://rms.nsw.gov.au/wsip) or call 1800 703 457.
