February 2017

## Temporary closure of the Kelly Street intersection with Bringelly Road, Austral from Monday 20 February

**The Australian and NSW governments are funding this work under the \$509 million Bringelly Road Upgrade between Camden Valley Way, Leppington and The Northern Road, Bringelly. This project is part of the \$3.6 billion Western Sydney Infrastructure Plan.**

Roads and Maritime Services is carrying out work to upgrade the Kelly Street and Bringelly Road intersection. Work includes upgrading underground utilities and building the new road.

As part of this work, Kelly Street will be temporarily closed between Bringelly Road and about 100 metres north of Bringelly Road from **Monday 20 February 2017** until early **May 2017**, weather permitting.

A detour will be in place to direct traffic around the work. The attached map helps to explain the temporary closure and detour.

### How will the work affect you?

There will be some noise associated with this work during normal work hours, but every effort will be made to minimise the impact on residents.

### Traffic changes

Access to properties on Kelly Street will be maintained during the work. Pedestrian and cyclist access will also be maintained.

Traffic will be detoured via Fourth Avenue, Tenth Avenue and back on to Kelly Street.

Electronic message signs will be in place to direct road users around the work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
