

Changes to bus stops at 287 Forest Way and opposite 287 Forest Way, Belrose

August 2018

The NSW Government has funded the Bus Priority Infrastructure Program. The program aims to improve the reliability of bus services on Sydney's main bus corridors.

Transport for NSW has identified some ways to improve the reliability of buses along the Terrey Hills, Belrose and Davidson to City bus corridor.

From **Monday 3 September 2018** as part of this program, Transport for NSW and Roads and Maritime Services will remove the bus stops at 287 Forest Way and opposite 287 Forest Way, Belrose. These stops are serviced by routes 260, 270, 271, 282, 283 and 284.

We have included a map to help explain our changes.

Background

These changes support *Future Transport Strategy 2056*, which is the NSW Government's plan to deliver the future transport network. In this plan, a key customer outcome is safety and performance, which seeks to ensure that every customer enjoys safe travel across a high performing and efficient network. It also reflects what our customers tell us about bus services, with travel time and on-time running being some of the most important service features.

The bus stop changes have been developed by Transport for NSW and Roads and Maritime, in consultation with bus operators. The local council was consulted as part of the planning work.

Key outcomes

Key outcomes of the bus stop changes include:

- improving customer and motorist safety for bus operations
- making travel times more reliable for customers
- contributing to the NSW Government's target of 95 per cent on-time running of bus services.

Bus stop changes

These changes reflect low customer usage of the bus stops and safety considerations for bus customers and motorists at this location. The adjacent bus stops are near Garigal Road.

The works associated with the bus stop changes include:

- removal of the bus stops number **208586** and **208533**
- replacement of bus zones with no stopping zones.

There is no loss of parking with the changes to bus stops.

What happens next?

The changes will be implemented from **Monday 3 September 2018**.

We will keep the community updated throughout the project.

287 Forest Way and opposite 287 Forest Way, Belrose Remove bus stops, no loss of parking
