

Cabarita Wharf car park improvements

Community Update | April 2019

Recently upgraded accessible parking spaces will remain open during the carpark upgrade

Work to upgrade Cabarita Wharf car park will start on **Tuesday 30 April** and will continue for about three months. **Most of the car park will be closed during this time.** The recently upgraded accessible parking spaces and eight general parking spaces near the car park entry will remain open.

The car park improvements will provide an additional 15 parking spaces, two motorcycle parking spaces, a new retaining wall and a new turning circle. New lighting will also be installed in the upgraded car park and on the pathway between Cabarita Road and the car park.

The area surrounding the car park has been identified as having Aboriginal heritage significance. Consultation with local Aboriginal groups has been ongoing to identify and preserve important heritage artefacts.

What to expect during the upgrade

During the upgrade most of the car park will be closed. The recently upgraded accessible parking spaces and eight general parking spaces will remain open.

Construction activities include:

- ▶ establishing two site compounds including installing fencing, site sheds and signage
- ▶ installing tree protection
- ▶ extending the existing car park three metres to the south and building a new retaining wall
- ▶ extending the existing car park three metres to the east to incorporate a new vehicle turning area
- ▶ installing lighting
- ▶ line marking the car park and installing new signage.

Work will start on **Tuesday 30 April** and is expected to take about three months to complete, weather and conditions permitting.

The standard work hours will be between **7am and 6pm Monday to Friday** and between **8am and 1pm Saturday**.
