

May 2018

Site clean-up at Ardennes Avenue, Edmondson Park, from Monday 14 May

The NSW Government is planning to upgrade Campbelltown Road between Camden Valley Way, Casula and Brooks Road, Denham Court to improve safety and increase road capacity.

Roads and Maritime Services is preparing to start major work on Stage 1 of the Campbelltown Road upgrade.

As part of the project, Roads and Maritime will provide clean and safe park areas to offset for the Campbelltown Road widening. We have found an area near Ardennes Avenue where we will carry out clean-up work, including removal of asbestos, between the M5 South Western Freeway and Ardennes Avenue, Edmondson Park from **Monday 14 May**. Once the land has been cleared and deemed safe, Roads and Maritime will hand the land to the National Parks and Wildlife Services for future use.

The work will include:

- engaging a licenced asbestos removal contractor to safely remove any asbestos found on site
- removal of illegally dumped waste material, including the removal of asbestos wastes
- excavation and removal of minor volume of soils

To complete this work we will need up to **20 shifts, Monday to Friday from Monday 14 May to Friday 20 June**, weather permitting. Our working hours will be from **8am and 5pm**.

We have provided a map to show the work location.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise the noise by ensuring our work program allows opportunities for respite.

Traffic changes

Temporary traffic changes will be in place to ensure the access point to the site is safe for motorists and workers.

Please keep to speed limits and follow the direction of traffic controllers and signs. Please plan your journeys to allow for possible delays. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Project Team, on 1800 633 332 or campbelltownroadupgrade@rms.nsw.gov.au. For more information on the project, visit www.rms.nsw.gov.au.

We thank you for your patience during this important work.
