

Campbelltown Road upgrade

Reschedule of 56 Hour Closure of Soldiers Parade, Bardia.

Transport for NSW | March 2020

The NSW Government is investing \$76 million to upgrade Campbelltown Road between Zouch Road and Ingleburn Gardens Drive, Bardia. The upgrade will improve safety and access to Campbelltown Road, and increase road capacity to cater for future growth.

Transport for NSW is continuing work along Campbelltown Road, Bardia. As part of this work we will work up to **seven night shifts** between **Sunday 15 March** and **Monday 6 April**, weather permitting.

Due to wet weather conditions, work originally planned for the weekend of 13-16 March has been rescheduled. We will work **three consecutive day and night shifts** at the Soldiers Parade and Campbelltown Road intersection. We will carry out this work over **56 hours between 9pm Friday 20 March and 5am Monday 23 March**, weather permitting. As part of this work we will need to temporarily close the intersection and detours will be in place. Details of the closure and detour map are on the next page.

After we finish work over this weekend closure, the new traffic lights at Soldiers Parade will be operating. The new traffic lights will improve safety, reduce congestion and provide better access to and from Edmondson Park Station.

Our work over this weekend will include:

- asphaltting
- installing kerb and gutter
- concreting
- line marking.

These weekend and night work hours will be in addition to our normal work schedule of **Monday to Friday 7am to 6pm** and **Saturday 8am to 1pm**.

Road users wishing to access Edmondson Park station from Campbelltown Road should continue through to Camden Valley Way towards Liverpool, and access Soldiers Parade from Camden Valley Way.

Please ensure you plan ahead and allow extra travel time for your journey if you are travelling to the station during this closure.
