

Utility investigation work on Campbelltown Road at Bardia, from Monday 5 March

The NSW Government is planning to upgrade Campbelltown Road between Camden Valley Way, Casula and Brooks Road, Denham Court to improve safety and increase road capacity.

Roads and Maritime Services is preparing to start major work on Stage 1 of the Campbelltown Road upgrade. Stage 1 of the project will focus on the area of Campbelltown Road around Edmondson Park Station and town centre. We are currently tendering for a construction contractor and expect to start construction work in mid 2018.

As part of the project, we need to carry out further utility investigation work to locate existing utilities running along Campbelltown Road, Bardia, from **Monday 5 March**.

The work will include:

- potholing with a vacuum truck
- identifying utilities
- surveying and taking photographs of utilities.

To complete this work we will need up to **nine shifts of night work** from **Monday 5 March** to **Monday 26 March**, weather permitting. Our working hours will be from **8pm** and **5am**.

We will also be working during the day, **Monday** to **Friday**, during this time. Our working hours will be from **8am** to **6pm**.

We have provided a map to show the work location.

How will the work affect you?

There will be some noise and light associated with this work. We will make every effort to minimise the noise and light by ensuring our work program allows opportunities for respite.

Work will be staged to minimise impact on residents with no more than three consecutive shifts of night work in the same location.

Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for motorists and workers.

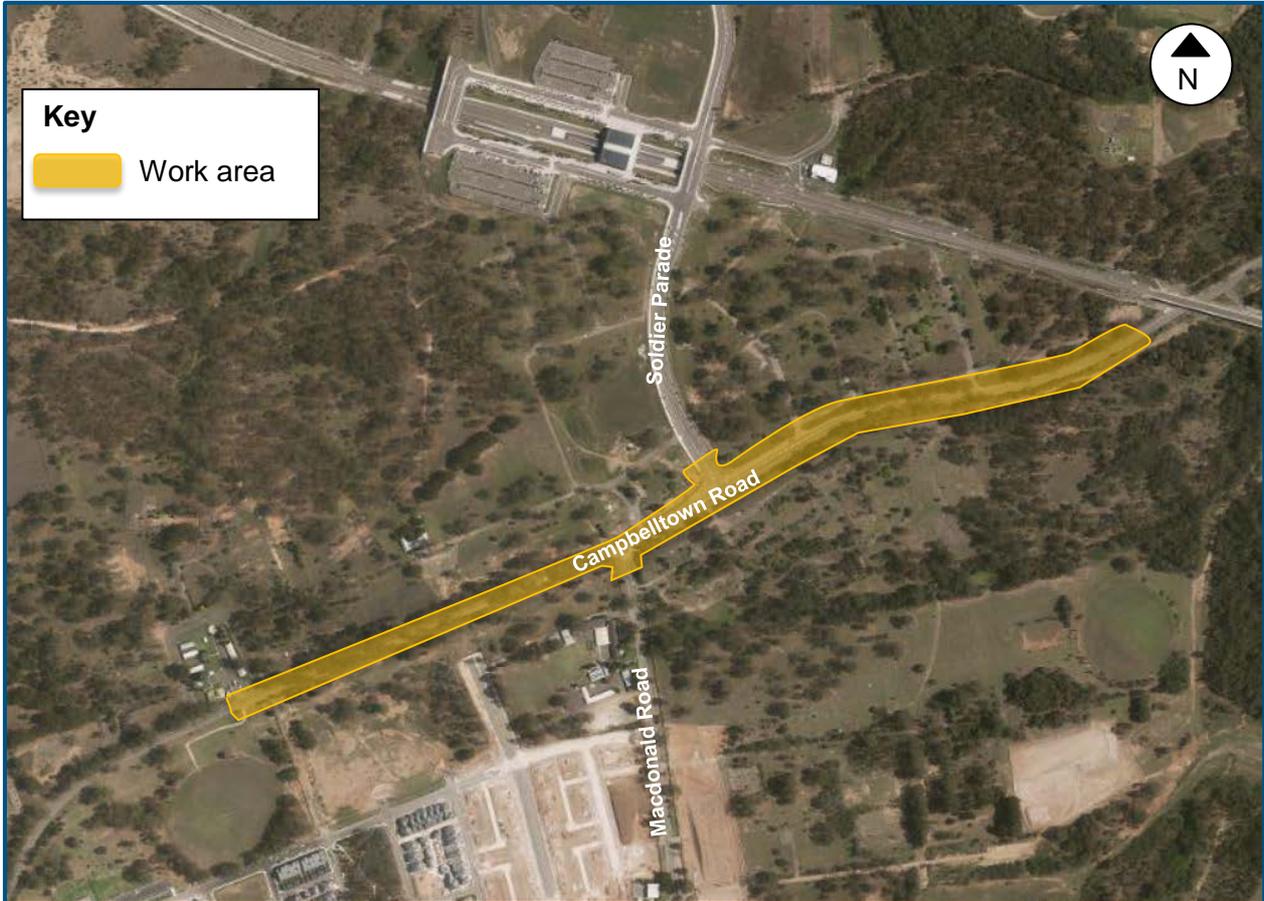

Please keep to speed limits and follow the direction of traffic controllers and signs. Please plan your journeys to allow for possible delays. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Project Team, on 1800 633 332 or campbelltownroadupgrade@rms.nsw.gov.au. For more information on the project, visit www.rms.nsw.gov.au.

We thank you for your patience during this important work.
