

Night work on Showground Road, Castle Hill from Monday 5 August 2019

Roads and Maritime Services is upgrading Showground Road at Castle Hill to reduce congestion, increase traffic capacity to meet the predicted growth from development in the area and improve safety for all road users

We have now started upgrading the final section between Kentwell Avenue and Pennant Street. We expect to complete the work in mid 2020.

Location of work on Showground Road

To minimise the impact to road users, we will need to carry out some work at night.

We will be on site for six night shifts between **Monday 5 August** and **Tuesday 20 August**. Night work will be carried out **between 9pm and 5am**, weather permitting.

We will be on site for night shifts as follows:

- **Monday 5 August**
- **Tuesday 6 August**
- **Monday 12 August**
- **Tuesday 13 August**
- **Monday 19 August**
- **Tuesday 20 August.**

We will work later in the week if we are unable to perform the night work earlier in the week. The activities on site will include:

- investigating existing underground utilities
- removing line marking along Showground Road
- removing trees, shrubs and other vegetation on both sides of Showground Road.

The work will involve machinery and equipment which will generate some noise. We will make every effort to minimise the impact by ensuring equipment and vehicles are turned off when not in use.

We will notify the community in advance if we need to carry out any additional night work.

Traffic changes

Temporary traffic changes will be in place along Showground Road to ensure the work zone is safe for road workers and motorists.

Electronic message signs will advise road users about the traffic changes. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact us

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, or would like to sign up for our emailing list, please contact our delivery partner, Burton Contractors.

Call: 1800 787 417 (during business hours)
Email: ShowgroundRd@burtoncontractors.com.au
