

## Night work on Showground Road, Castle Hill from Monday 24 June

Roads and Maritime Services is upgrading Showground Road at Castle Hill to reduce congestion, increase traffic capacity to meet the predicted growth from development in the area and improve safety for all road users

We have now started work to upgrade the final section between Kentwell Avenue and Pennant Street has now started. We expect to complete this work in mid 2020.

Completed section of Showground Road between Kentwell and Cecil Avenues

### Night work schedule

To minimise the impact to road users, and deliver further benefits from this project as quickly as possible, we will need to work at night.

We will be on site for four night shifts between **Monday 24 June** and **Tuesday 2 July**. We will work **between 8pm and 5am**, weather permitting.

We expect to work these four night shifts on:

- **Monday 24 June**
- **Tuesday 25 June**
- **Monday 1 July**
- **Tuesday 2 July**

We will work on **Wednesday 26 June** and **Thursday 27 June** if we are unable to perform the night work earlier in the week.

Work activities on site will include:

- installing traffic controls, such as barriers, signs and line marking along Showground Road
- removing trees, shrubs and other vegetation on both sides of Showground Road
- investigating existing underground utilities.

We will notify the community in advance if we need to carry out any more night work.

## Traffic changes

To maintain safety and traffic flow, we will close some roads along Showground Road.

From **Monday 24 June**, we will:

- permanently close access between **Kentwell Avenue** and Showground Road
- temporarily close access between **Cheriton Avenue** and Showground Road. We will reopen this access when construction finishes.

Electronic message signs will advise road users about the traffic changes. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact us

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, or would like to sign up for our emailing list, please contact our delivery partner, Burton Contractors.

**Call:** 1800 787 417 (during business hours)  
**Email:** [ShowgroundRd@burtoncontractors.com.au](mailto:ShowgroundRd@burtoncontractors.com.au)  
**Website:** [rms.nsw.gov.au/showgroundroad](http://rms.nsw.gov.au/showgroundroad)

Thank you for your patience during this important work.
