

Traffic changes at the intersection of Rowallan Avenue and Showground Road, Castle Hill from Sunday 3 December

The NSW Government is funding this \$41 million upgrade to Showground Road, Castle Hill to reduce congestion and increase traffic capacity.

Roads and Maritime Services is delivering this important project. The project will help to reduce congestion, increase traffic capacity to meet the predicted growth from development in the area and improve safety at several intersections.

Traffic changes on Showground Road and Rowallan Avenue from Sunday 3 December

From **Sunday 3 December** to **Friday 22 December**, the intersection of Rowallan Avenue and Showground Road will be closed for drainage and asphaltting work between **8pm** to **5am** for up to **three night shifts per week**, weather permitting.

Detours via Pennant Street and Gilchrist Road will be in place during the night work. Traffic controls will be in place to ensure the safety of motorists and road workers. We have included a map to show the traffic changes and area of work.

How will the work affect you?

Work will continue during standard construction hours from **Monday** to **Friday** between **7am** and **6pm** and **Saturday** between **7am** and **1pm**, excluding public holidays. A combination of day and night work is required to maintain safety and to balance the impact to nearby residents and local motorists.

There will be some noise and light associated with this work. While it may be noisy at times we will minimise the impact by finishing noisier tasks as early as possible in the evening.

Traffic changes

Temporary traffic changes are in place along Showground Road to ensure the work zone is safe for road workers and motorists. **A speed limit of 40 kilometres per hour will continue to be in place.** Electronic message signs will advise road users about the traffic changes. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, call 13 27 01, visit livetraffic.com or download the Live Traffic NSW App.

Christmas holiday period work hours

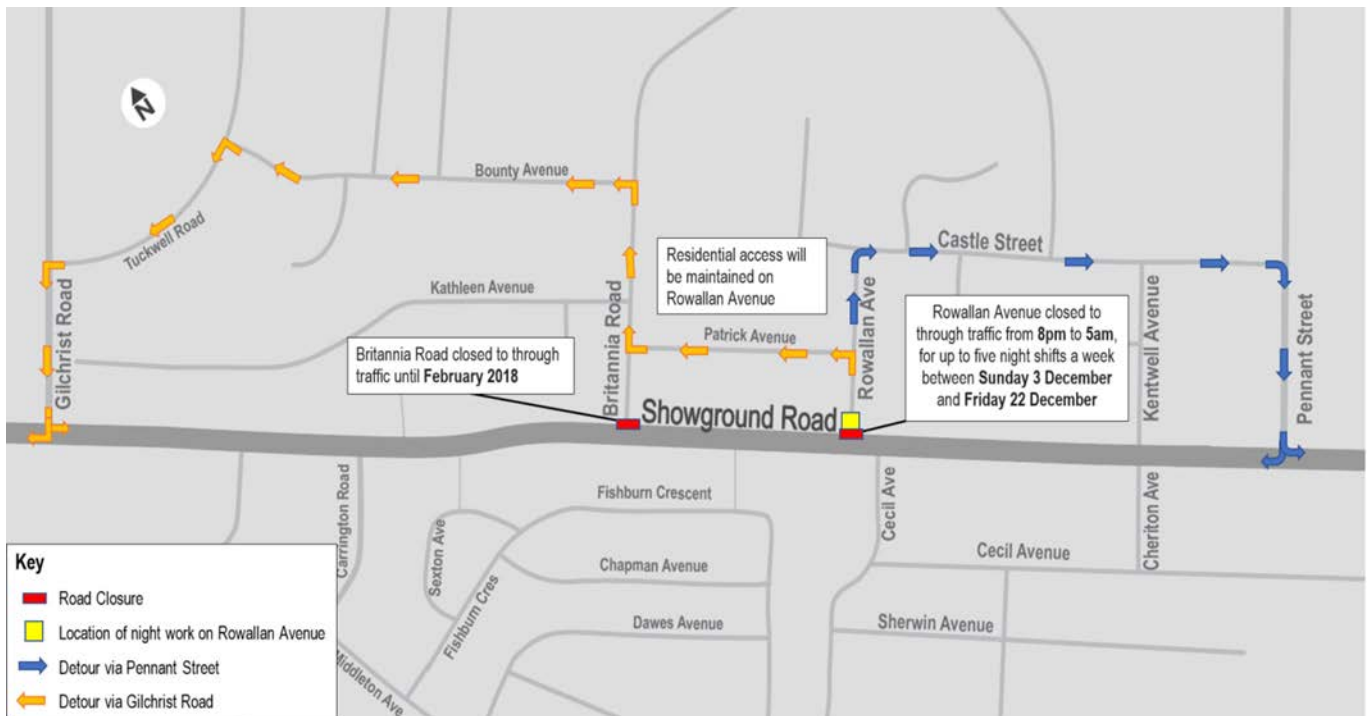

We will not carry out work during the Christmas and New Year holiday period on the Showground Road upgrade from **Saturday 23 December 2017** until **7am on Monday 8 January 2018**. The **speed limit of 40 kilometres per hour will continue to be in place** to allow residents to move safely in and out of the shared zone.

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses. If you have any questions, would like to register for project updates or have any feedback, please call Seymour Whyte Constructions on **1800 787 417** or email community@seymourwhyte.com.au For more information on our projects, visit rms.nsw.gov.au

Thank you for your patience during this important work.
