

Temporary night closure of Cecil Avenue, Castle Hill from Monday 29 August

The NSW Government is funding this \$41 million upgrade to Showground Road to reduce congestion and increase traffic capacity.

Roads and Maritime Services is continuing to upgrade Showground Road between Carrington Road and Old Northern Road, Castle Hill. As part of this work, we have been carrying out utilities relocation work along Showground Road

To allow us to continue the utility relocations, we need to close **Cecil Avenue** at the intersection with Showground Road for **up to five nights** from **Monday 29 August to Friday 9 September**, weather permitting. Our working hours will be from **9pm to 5am**.

Detours will be in place during this work and traffic will be diverted to Cecil Avenue and Cheriton Avenue. Access to properties will be maintained at all times. We have included a map to help explain the detour and the location of the work.

How will the work affect you?

There will be some noise associated with this work. Every effort will be made to minimise noise by arranging the work for up to three nights in one location and then moving to a new location along Showground Road.

Every effort will be made to focus the light only on the working area, however there may be some spill-over of light into nearby residences.

Traffic changes

Electronic message signs and yellow, road work advisory signs will be placed in the vicinity of the work site to notify motorists of road closures and detours at least five days before work starts.

There will be delays along Showground Road due to the changed traffic conditions. Motorists are asked to allow extra time to travel. Please keep to speed limits and follow the direction of traffic controllers and signs.

For latest traffic updates, please call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

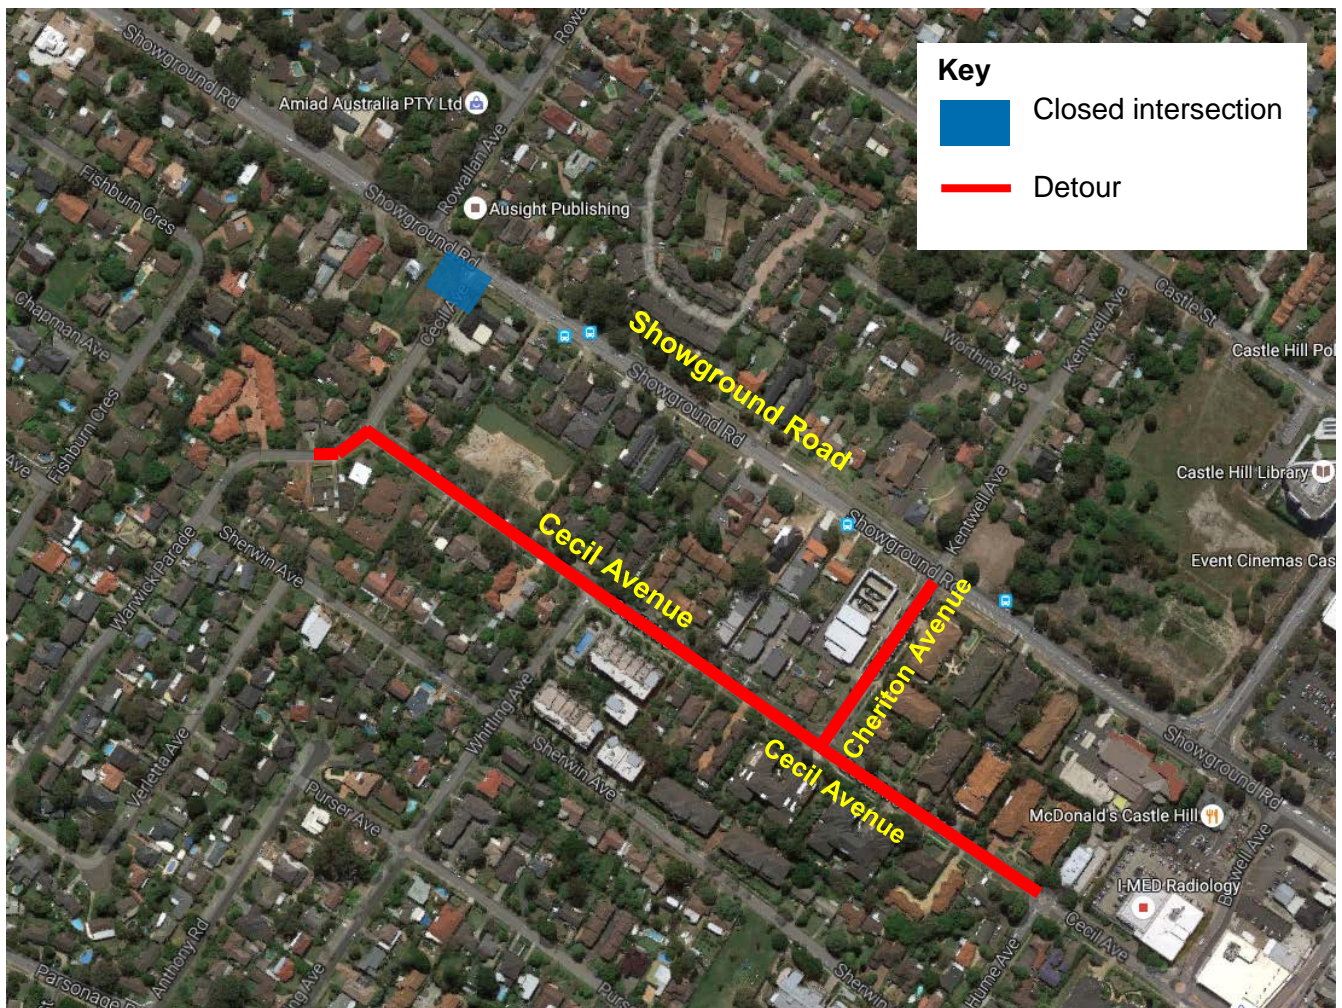

Contact

We are committed to minimising the impact of construction on the community and will continue to keep you informed as the project progresses.

If you have any questions, would like to register for project updates or have any feedback, please call Seymour Whyte Constructions on 1800 787 417 or email community@seymourwhyte.com.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
