

Chiswick Wharf

Blackwall Point Reserve lighting upgrade

Transport for New South Wales | February 2018

New lighting will be installed in Blackwall Point Reserve from Tuesday 13 February to Friday 16 February, weather permitting. Access to Chiswick Wharf and within Blackwall Point Reserve will be maintained.

The NSW Government is upgrading the lighting in Blackwall Point Reserve as part of the Transport Access Program. The lighting upgrade is the final stage of the Chiswick Wharf and interchange upgrade.

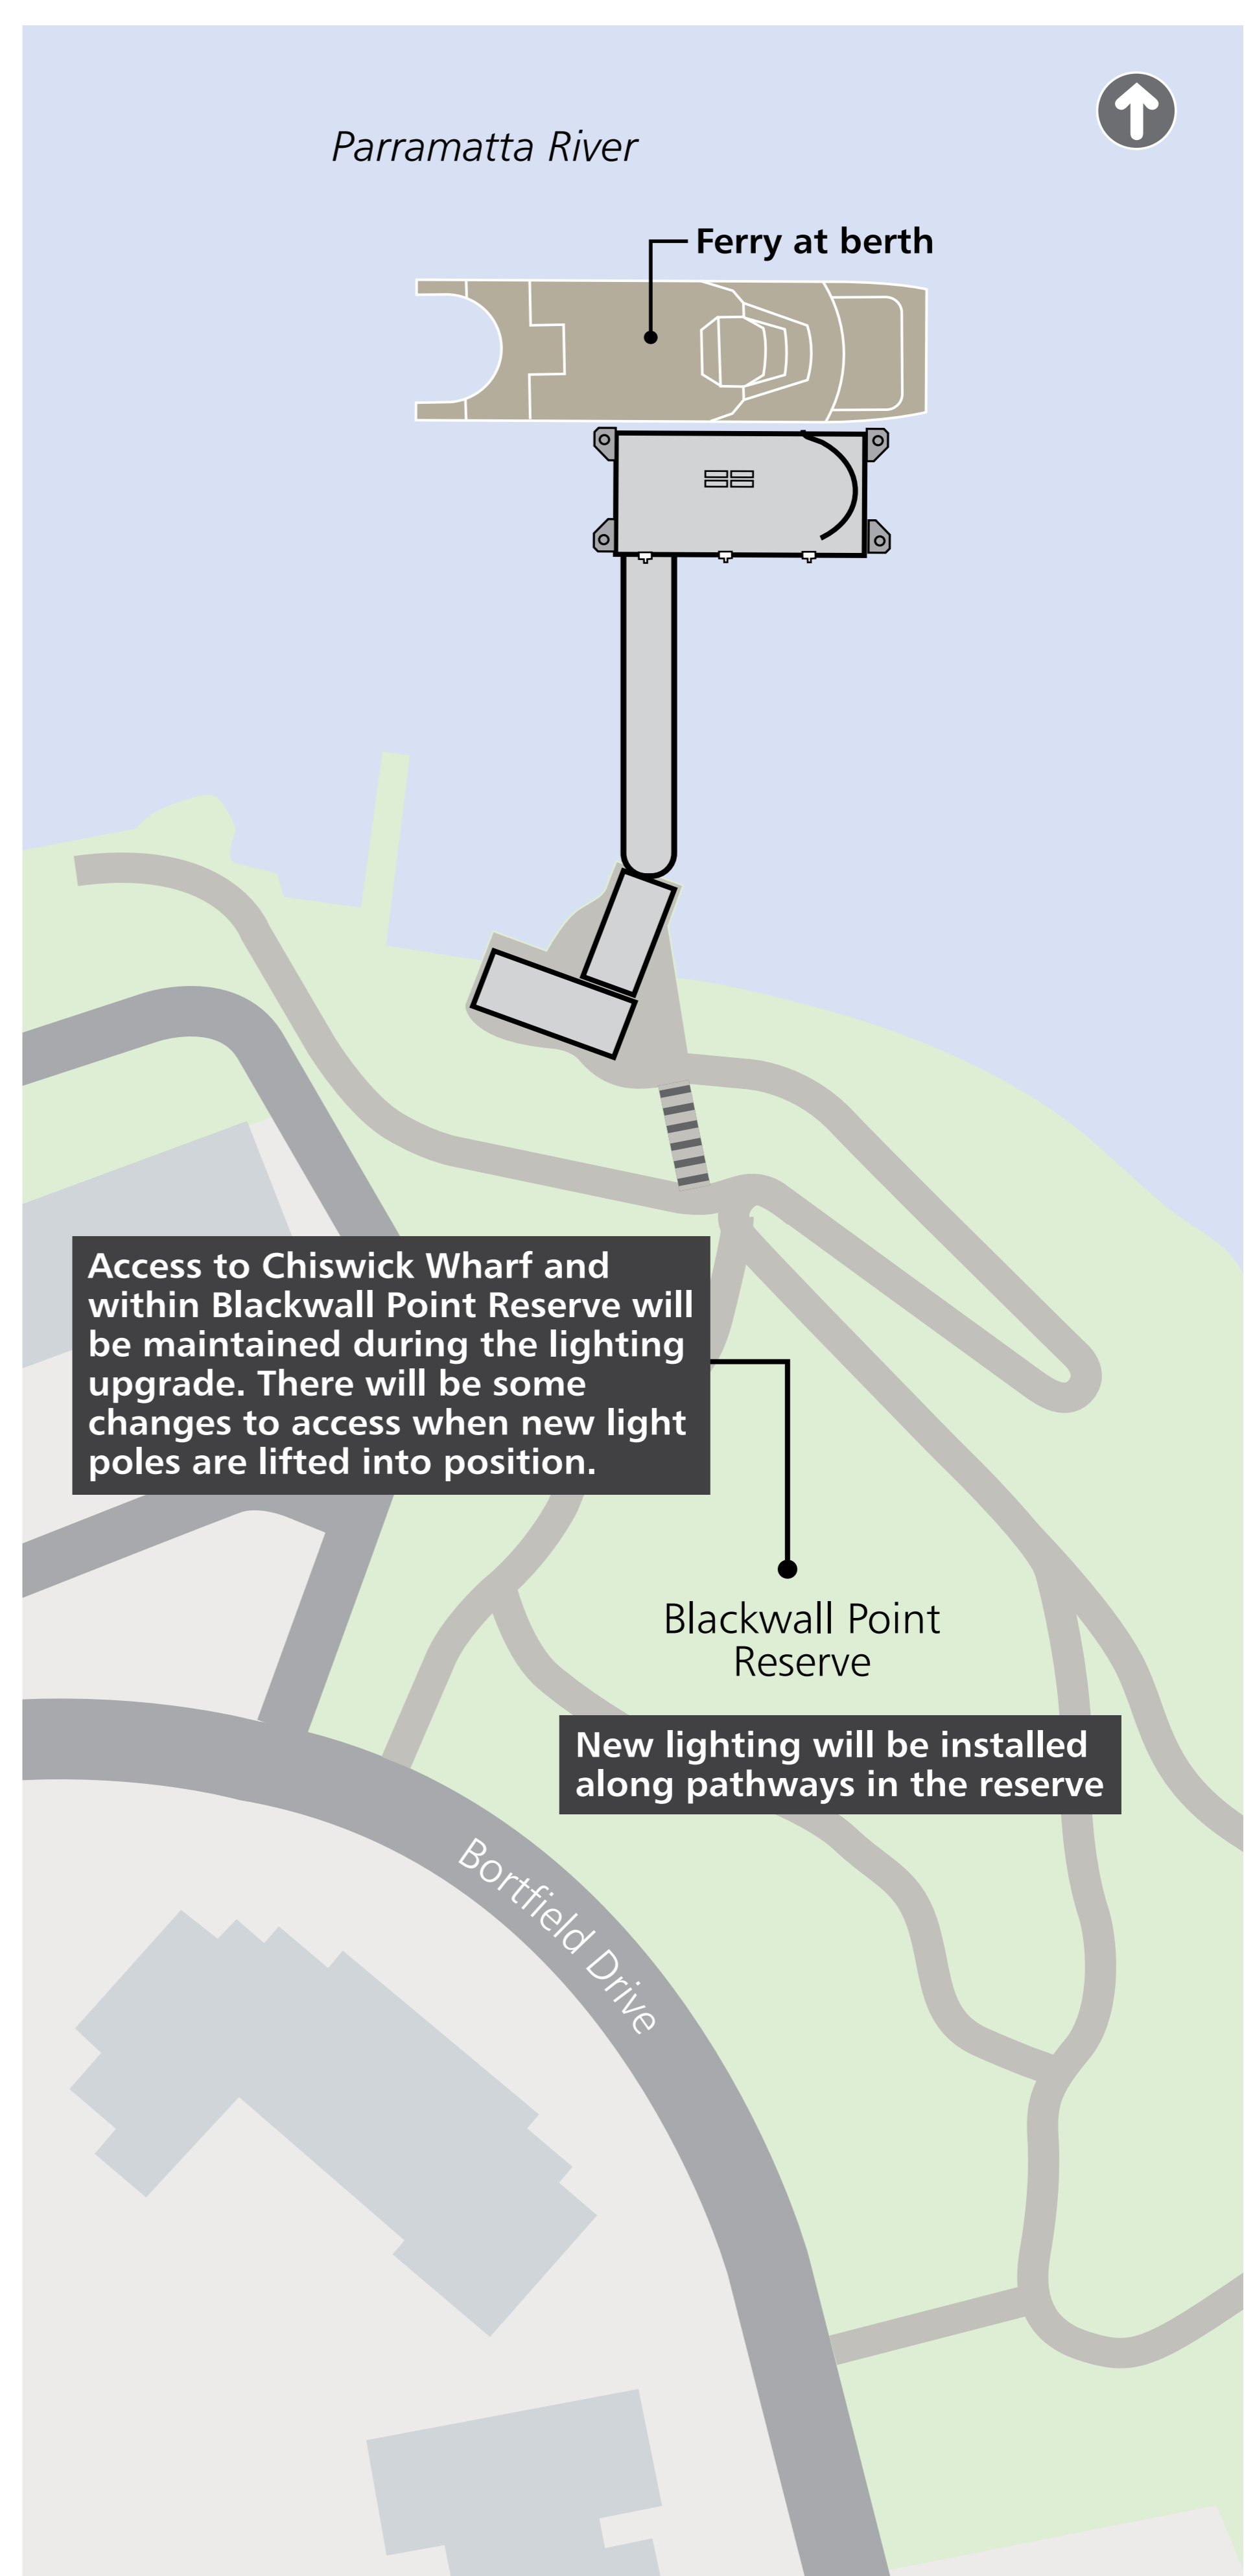

Work to install the new lighting in the reserve will be carried out from **Tuesday 13 February to Friday 16 February**, weather permitting. **Access to Chiswick Wharf and within Blackwall Point Reserve will be maintained.** There will be some changes to access when new light poles are lifted into position.

Work will mostly be carried out during standard construction hours between 7am and 6pm, from Tuesday to Friday.

Some out of hours work is necessary to maintain access to all ferry services. Night work will be carried out between **11pm and 7am**. Only one night of out of hours work is required during this time.
