

New and extended clearways on Kissing Point Road, North Parramatta to Dundas Valley

The NSW Government is funding this project as part of its \$121 million Clearways Program, which aims to reduce congestion and delays on Sydney's roads.

Roads and Maritime Services is installing new and extended clearways between James Ruse Drive, North Parramatta and Stewart Street, Dundas Valley.

The new and extended clearways will be operational from Monday 1 July 2019 from **6am to 7pm** on weekdays and **9am to 6pm** on weekends and public holidays. The new clearway times replace the existing weekday clearways that currently operate from 6am to 10 am and 3pm to 7pm on Kissing Point Road.

The new clearway hours will apply in both directions and are shown on the map below.

Kissing Point Road provides access to James Ruse Drive and Silverwater Road, which are two very busy road corridors in Sydney and clearways will have a positive impact for the road users travelling on this corridor.

Clearways allow Roads and Maritime to respond and tow vehicles that stop illegally or breakdown along the corridor. The existing parking restrictions will continue to apply outside of the clearway hours.

Our work schedule

The new clearways signs will be installed between **Sunday 23 June and Sunday 30 June**, weather permitting.

Our working hours will be between **8pm and 5am**. There will be some noise associated with this work but we will do everything we can to minimise the impact, including completing noisier tasks by 11pm.

Thank you for your patience during this important work.

Contact

If you have any questions about the project, please contact the clearways team on 1300 706 232 or clearways@rms.nsw.gov.au

If you have any questions about the installation work, please contact our delivery partner, Downer EDI on 1300 776 069.

How will this affect you?

The new clearways will be open to traffic from **Monday 1 July 2019**. Clearways will allow illegally parked and broken down vehicles to be towed to ensure all lanes are available to move people and goods, helping to ease congestion, improve journey time reliability and safety.

Traffic changes

There will be temporary traffic changes while the signs are installed to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controller directions. For the latest traffic updates, you can call **132 701**, visit livetraffic.com or download the Live Traffic NSW App.

What is a clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign. Clearways are put on key state roads where traffic is often heavy and congested. They help keep vehicles moving by making all lanes available to road users.

To report a vehicle parked or stopped in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on **131 700**.

Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1300 706 232.

Arabic

إذا كنتم بحاجة إلى مترجم، الرجاء الاتصال بخدمة الترجمة الخطية والشفهية (TIS National) على الرقم **131 450**، والطلب منهم الاتصال بوكالتكم على الرقم 1300 706 232.
