

BUILDING OUR FUTURE

Temporary closure of Blaxland Road, Ryde from Monday 31 January

January 2021

The Australian and NSW Governments are taking action to improve Sydney's Road network, ease congestion and improve traffic flow, travel times and road safety.

We are adding a fourth northbound lane on Devlin Street between Victoria Road and Blaxland Road, allowing more vehicles to pass through the intersection.

We will resurface the southbound lanes of Devlin Street between **8pm** and **5am** on:

- **Monday 31 January**
- **Tuesday 1 February**
- **Wednesday 2 February**
- **Thursday 3 February**

Blaxland Road, between Devlin Street and Church Street will be temporarily closed during this work.

Traffic changes

Detours will be in place for all vehicles travelling southbound on Devlin Street and wanting to use Blaxland Road between Devlin Street and Church Street, Ryde. The proposed detours will add about two minutes of travel time.

Vehicles travelling:

- southbound on Devlin Street seeking to turn left onto Blaxland Road will need to detour via the Devlin Street off ramp, Victoria Road and Church Street
- southbound on Devlin Street seeking to turn right onto Parkes Street will need to detour via the Devlin Street off ramp, northbound on ramp and Devlin Street northbound
- eastbound on Parkes Street seeking to use Blaxland Road will need to detour via Belmore Street, Victoria Road and Church Street
- westbound on Blaxland Road seeking to travel southbound on Devlin Street will need to detour via Tucker Street and Pope Street
- westbound on Blaxland Road seeking to travel northbound on Devlin Street will need to detour via Tucker Street, Smith Street and Buffalo Road.

There will be signage to direct vehicles to the proposed detours. Please keep to speed limits and follow signs and traffic controller's directions. For the latest traffic updates, you can call **132 701**, visit **livetraffic.com** or download the **Live Traffic NSW App**.
