

Upgrading pinch point at Elizabeth Drive and Marsden Road, Liverpool from Monday 15 July

The NSW Government is upgrading the intersection of Elizabeth Drive and Marsden Road in Liverpool to ease congestion, reduce travel times and improve safety.

This project is part of our Pinch Point Program. We are upgrading the intersection of Elizabeth Drive and Marsden Road in Liverpool, by widening Marsden Road to:

- create a dedicated right turn lane improving traffic flow away from Liverpool
- create a dedicated left turn lane improving traffic flow towards Liverpool
- separate turning traffic to reduce risky moves by motorists improving safety and easing congestion for all road users using Elizabeth Drive.

For the final stage of work, we will continue road work which includes adjusting utilities and traffic lights, upgrading stormwater drainage, demolishing existing footpaths, paving and asphaltting the new road. This work will take place during the day and at night.

Our work schedule

We will be on site for up to **five day and five night shifts a week** between **July and October 2019**, excluding public holidays.

For this upcoming work we will be on site for up to **45 night and 50 day shifts** between **Monday July 15 and Monday 14 October 2019**.

Our day work hours will be between **7am and 6pm** from **Monday to Friday** and between **8am and 1pm** on **Saturday**. Our night hours will be between **8pm and 6am** from **Sunday to Friday**.

Contact

If you have feedback or concerns about the work schedule, or would like to know more about this project, please contact our delivery partner Ward Civil on 1800 897 841 or hoxtoncomms@wardcivil.com.au.

For information on other pinch points across Liverpool, please visit rms.work/urbanpinchpoints.

Thank you for your patience during this important work.

Upcoming work

We will continue to update you on this project as work progresses, including informing you in advance about future work schedules and night work.

How will the work affect you?

Our work will be noisy at times. We will reduce noise wherever possible. Examples of how we will reduce noise include completing noisier activities such as jackhammering and concrete sawing by **midnight**.

Traffic changes

There will be temporary traffic changes during our work to ensure the work zone is safe.

A detour will be in place at times during night work along Marsden Road while we carry out our work, from around **9pm to 5am**. Motorists seeking to access Elizabeth Drive from Marsden Road will instead be directed towards Woodlands Road. Access to Marsden Road from Elizabeth Drive will be maintained.

Traffic management and signs will be in place to assist motorists with the changed conditions. Pedestrian access will be maintained at all times, although temporary detours may be in place. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

More Liverpool Pinch Point projects

Roads and Maritime identified multiple intersections in the area that delay travel. Each upgrade will ease congestion, reduce travel times and improve travel times for all road users. They include:

- Hoxton Park Road and Hume Highway intersection
- Hoxton Park Road and Whitford Road intersection.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 897 841.
