

## Night work on Empire Bay Drive and The Scenic Road intersection, Kincumber from Wednesday 13 May

The NSW Government is investing \$20 million to upgrade the Empire Bay Drive and The Scenic Road intersection to improve traffic flow and safety for road users.

Transport for NSW is upgrading the existing roundabout at Empire Bay Drive, The Scenic Road and Cochroane Street at Kincumber to provide two lanes in each direction, to reduce congestion and improve safety.

We would like to thank the community for their patience and cooperation during the delivery of this intersection upgrade.

While the new roundabout is now open to traffic, there are **four nights** of work scheduled to complete the project by the **end of May**.

We will be working at night from **Wednesday 13 May**. We will be working between **6pm and 5am** from and expect to complete the work in **two shifts**, weather permitting. Work will include one night of asphalt work and line marking.

If weather conditions don't allow us to complete line marking on **Thursday 14 May**, that work will take place from **Sunday 17 May** for no longer than **two nights**.

This schedule will enable us to **complete the intersection upgrade** at the **end of May**, weather permitting.

### How will the work affect you?

The work will involve the use of machinery which generates noise. We will make every effort to minimise noise by undertaking noisier activities where possible before 11pm, completing the work in stages along this section of road and turning off machinery and vehicles when not in use.

### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures and traffic controllers will be in place during work hours.

A permanent 40 km/h reduced speed limit remains in place through the work zone for the safety of motorists and workers. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact

If you have any questions, please contact the project information line on 1800 670 016. For more information on this project, visit [rms.nsw.gov.au/empirebaydrive](http://rms.nsw.gov.au/empirebaydrive).
