

## Night work on Empire Bay Drive intersection upgrade at Kincumber from Sunday 20 October

The NSW Government is investing \$20 million to upgrade the Empire Bay Drive and The Scenic Road intersection to improve traffic flow and safety for road users.

Roads and Maritime Services is upgrading the existing roundabout at Empire Bay Drive, The Scenic Road and Cochrone Street at Kincumber to provide two lanes in each direction on Empire Bay Drive, to reduce congestion and improve safety.

Work is continuing to be carried out between **7am** and **6pm** on weekdays and between **8am** and **1pm** on Saturdays, weather permitting.

We will be also be working at night from **Sunday 20 October**. We will be working between **6pm** and **5am** from **Sunday** to **Thursday** and expect to complete the work in **five shifts**, weather permitting. We will let you know in advance if we need to do any work outside these times.

Work will include:

- Connection and commissioning of new sewer pipeline on Empire Bay Drive including sewer bypass pumping in Sundowner Avenue and Cochrone Street
- Installation of new gas pipeline crossing Cochrone Street.

### How will the work affect you?

The work will involve the use of machinery which generates noise. We will make every effort to minimise noise by completing the work in stages and turning off machinery and vehicles when not in use.

### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

A permanent 40km/h reduced speed limit remains in place through the work zone for the safety of motorists and workers. Some lane closures may be in place and motorists should allow extra travel time.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

### Contact

If you have any questions, please contact the project information line on 1800 670 016. For more information on this project, visit [rms.nsw.gov.au/empirebaydrive](http://rms.nsw.gov.au/empirebaydrive).

Thank you for your patience during this important work.
