

Work continuing at the intersection of Beecroft Road and Carlingford Road, Epping from Wednesday 29 June

The NSW Government is funding this project through the Housing Acceleration Fund to improve traffic flow and reduce congestion to support population growth in the area in the future.

Roads and Maritime Services is continuing to carry out this work, which includes:

- Widening Beecroft Road on the eastern side of the intersection
- Providing an additional right turn lane from Beecroft Road southbound into Carlingford Road
- Providing a third southbound lane on Beecroft Road north of Carlingford Road
- Upgrading the left turn slip lane from Carlingford Road into Beecroft Road
- Providing a new traffic light pedestrian crossing on the western side of the intersection
- Building a 90 metre long retaining wall on the eastern side of Beecroft Road next to the rail corridor
- Upgrading traffic lights and medians
- Adjusting property boundaries
- Relocating utilities
- Removing vegetation.

Work completed so far includes surveying and removing vegetation along Beecroft Road. The next stage will involve extensive work relocating utilities.

We will be working **30 night shifts** between **Wednesday 29 June** and **Monday 29 August**. Our working hours will be from **8pm** to **5am**. More night shifts will be needed after August and we will notify residents before we start this phase of work.

How will the work affect you?

There will be some noise associated the work but we will make every effort to minimise its impact by arranging it in stages at different locations and carrying out the noisiest work before **11pm**.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please call our delivery partner DownerMouchel on 1800 332 660 or email enquiries_nsw@downermouchel.com
