

Epping Road, between Essex Street and Blaxland Road

Project update

Roads and Maritime Services | February 2018

The NSW Government is funding this project through the Housing Acceleration Fund to improve traffic flow and reduce congestion to support population growth in Epping Town Centre.

Roads and Maritime Services is delivering this project, which involves widening Epping Road westbound between Essex Street and Blaxland Road and improving the intersection at Epping Road and Essex Street.

Progress so far and the next stage

We have surveyed the site, carried out demolition work, started our utility relocation work and set up the site compound. The work still to be done includes:

- widening Epping Road westbound between Essex Street and Blaxland Road
- demolition of a property owned by Roads and Maritime
- improving the intersection at Epping Road and Essex Street
- installing or improving dedicated turning lanes
- asphaltting and roadmarking.

We have included a map to show the location of the work.

We would like to talk to you

We would like to talk to you about our proposal for the upcoming night work schedule. Please contact our project team on 1800 332 660 or nsw_projects@dmroads.com.au.

Our work schedule

We will be on site for **twelve night shifts** and **52 day shifts** between **Wednesday 28 February** and **Monday 30 April**, weather permitting. Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and **8am** to **1pm** on **Saturdays**.

All work is due to be completed in the second half of 2018.

How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight** and staging them in different locations.

Traffic changes

We will be banning right turns out of Forest Grove onto Epping Road eastbound from March 2018. These changes are part of the final road layout.

During the work, we will also implement a no left turn into Essex Street from Epping Road eastbound. This movement will be reinstated following the work.

These traffic changes will help us complete more work safely during day time hours.

Other traffic and pedestrian changes will be in place during our work to ensure the work zone is safe. Lane closures will be in place and may affect travel times.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW APP.

Beecroft Road and Carlingford Road

Roads and Maritime Services is delivering improvements to the Beecroft Road and Carlingford Road intersection in Epping. The project will result in improved traffic flow, reduced traffic congestion with new turning and slip lanes and improved pedestrian access.
