

Project update – Work resuming at the intersection of Beecroft Road and Carlingford Road, Epping from Monday 8 January

The NSW Government is funding this project through the Housing Acceleration Fund to improve traffic flow and reduce congestion to support population growth in the area in the future.

Roads and Maritime Services is delivering this project, which involves upgrading the Beecroft Road and Carlingford Road intersection in Epping. This project will result in improved traffic flow, reduced traffic congestion with new turning and slip lanes and improved pedestrian access.

Progress so far and the next stage

We have finished all the pavement work on the northbound carriageway, the retaining wall and all drainage work. The work still to be done includes:

- landscaping
- reinstating the footpath near the train line
- removing utilities that are no longer needed
- some additional pavement work
- final road marking.

Our work schedule

We will be back onsite to complete the final stage of work for another **40 night shifts** and **50 day shifts** between **Monday 8 January** and **Friday 27 April**, weather permitting, excluding public holidays. Our night work hours will be between **7pm** and **7am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **7pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturdays**.

How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight** and staging them in different locations.

Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs

and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Epping Road, between Essex Street and Blaxland Road

Roads and Maritime Services is widening Epping Road westbound between Essex Street and Blaxland Road and improving the intersection at Epping Road and Essex Street. For more information about this project visit www.rms.nsw.gov.au.

Contact

If you have any questions, please contact our delivery partner DM Roads on 1800 332 660 or email enquiries_nsw@dmroads.com.au. For more information on our projects, visit rms.nsw.gov.au. Thank you for your patience during this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660
