

Night work on President Avenue, West Botany Street and Princes Highway, Kogarah, from Monday 2 July

The NSW government is progressing with the development of the F6 Extension Stage 1 between the New M5 Motorway at Arncliffe and President Avenue at Kogarah.

Roads and Maritime Services will be carrying out utility investigation work on President Avenue, between Princes Highway and Civic Avenue, Kogarah. We will also be carrying out investigation work on West Botany Street, between Lindsay Street and French Street, and on Princes Highway, between Green Street and South Street, Kogarah. We have included a map to show the location of the work.

The investigation work will involve potholing to understand the location of assets within the road. This work will involve cutting out sections of the road, lifting out the cut sections, and surveying the location of assets under the road surface. We will also be permanently reinstating the cut sections of the road.

Our work schedule

We will be on site for up to **12 night shifts** between **Monday 2 July** and **Wednesday 25 July**, excluding public holidays, weather permitting. Our work hours will be between **9pm** and **4am** from **Monday to Wednesday**.

To minimise disruption to residents, businesses and road users, we will not work more than 3 nights in any week.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **11pm** and staging work in different locations.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures and footpath closures may be in place and may affect travel times. There may be some parking restrictions on President Avenue to accommodate the work vehicle.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions please call our project team on 1800 789 297 during office hours (8:30am to 5pm Monday to Friday) or email F6Extension@rms.nsw.gov.au

Thank you for your patience during this important work.
