## Utility relocations in Blackheath

Wednesday 18 July

---

**The Australian and NSW governments are undertaking a \$250 million upgrade package on the Great Western Highway between Katoomba and Lithgow to improve traffic flow, safety and travel conditions.**

Roads and Maritime Services need to relocate electrical utilities through the town of Blackheath in preparation for the delivery of the Katoomba to Mount Victoria Safety Upgrades which are due to commence later this year.

We will start work on **23 July** with utility relocations expected to be complete in **September 2018**, weather permitting.

Our work will be carried out between **7am and 6pm, Monday to Friday**.

There will be power outages to connect the new power lines into the existing network. This will be carried out with the intent to minimise disruption where possible.

If you would like to discuss the project, please contact us on 1800 035 733 or [K2Lupgrades@rms.nsw.gov.au](mailto:K2Lupgrades@rms.nsw.gov.au)

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 199 009.
