**BUILDING OUR FUTURE**

January 2018

## Temporary road closure of Hooper Street in Mount Victoria Village from Monday 15 January 2018

**The Australian and NSW governments are undertaking a \$250 million upgrade package on the Great Western Highway between Katoomba and Lithgow to improve traffic flow, safety and travel conditions.**

Roads and Maritime Services is continuing to deliver this important 1.6 kilometre upgrade of the Great Western Highway through Mount Victoria Village. As part of this work we will be installing stormwater drains and new road surfaces at the Great Western Highway end of Hooper Street.

To complete this work we will need to close Hooper Street at the Great Western Highway intersection **24 hours a day, seven days a week** from **Monday 15 January to Monday 29 January**, weather permitting.

The work at the intersection will include:

- installing traffic controls and temporarily modifying pedestrian access
- establishing safe access for workers and vehicles
- identifying existing services prior to commencing work
- removing old pipes and fittings
- lifting and installing concrete pipes
- backfilling and reinstating road surfaces.

Our standard construction hours are **7am to 6pm, Mondays to Fridays** and **8am to 1pm, Saturdays**.

We have included a map to show the section where the work will take place.

### How will the work affect you?

There will be some noise and possible traffic delays associated with this work. We will make every effort to minimise noise and delays, including ensuring our work program allows opportunities for respite.

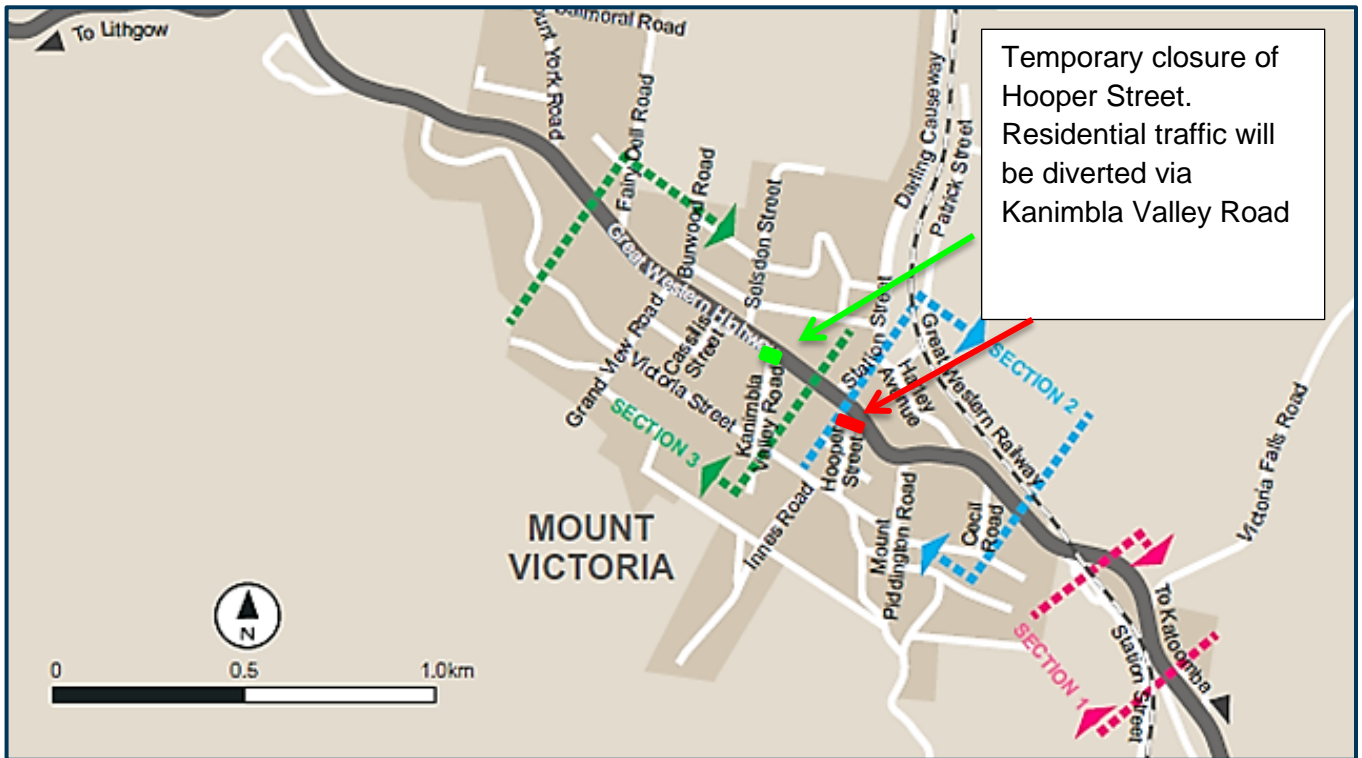

The entrance to Hooper Street from the Great Western Highway will be closed with residential traffic being diverted via Kanimbla Valley Road.

## Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for local traffic. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App for iPhone, iPad and Android.

## Location of work and detour

## Contact

If you have any questions, please contact our project team on 1800 035 733 or [K2Lupgrade@rms.nsw.gov.au](mailto:K2Lupgrade@rms.nsw.gov.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

Thank you for your patience during this important work.

### Translating and Interpreting Service
