

## Investigation work on Heathcote Road, Holsworthy from Monday 19 November

The NSW Government is delivering upgrades to reduce congestion and improve safety and connectivity on Sydney's roads.

Roads and Maritime Services will be carrying out investigation work to inform the detailed design for the upgrade of a two-kilometre section of Heathcote Road. The work will include surveying the road corridor, environmental inspections and investigating underground utilities.

Our work area will be along Heathcote Road from just east of The Avenue to Infantry Parade.

### Our work schedule

We will be working between **Monday 19 November** and **Thursday 31 January**, weather permitting. Our work hours will be between **7am** and **6pm** from **Monday** to **Friday**. We will also work on **Saturdays** between **8am** and **1pm**. We will also need to do up to **10 night shifts**. Our night work hours will be between **6pm** and **5am**.

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

We will stage the night work so you will not be affected for more than **two consecutive nights** or for more than **six nights** in a month.

## Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

Thank you for your patience during this important work.
