

Investigation work on Henry Lawson Drive, Georges Hall

Work scheduled for February 2020

Transport for NSW | February 2020

Transport for NSW will undertake investigation work along Henry Lawson Drive, near Rabaul Street and Haig Avenue, Georges Hall.

The work, which is scheduled for the week of **24-28 February 2020**, will survey gas, water, electrical and telecommunications infrastructure.

Work schedule

The work will be carried over one night and is scheduled to take place between **Monday 24 and Friday 28 February 2020**, weather permitting. Our night work hours are **between 8pm and 5am**.

How will the work affect you?

Our work may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier activities (such as drilling) by midnight.

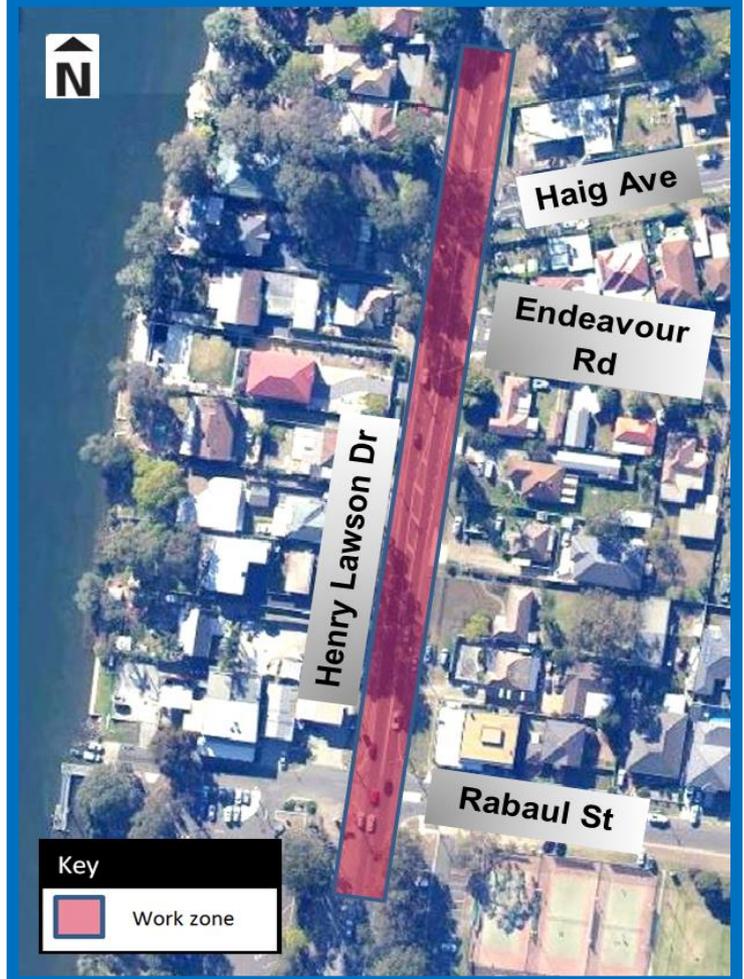

Traffic changes

There will be temporary traffic changes, including reduced speed limits and lane closures, while the work is carried out. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
