

Proposed intersection improvements on Hoxton Park Road and Flowerdale Road, Liverpool

The NSW Government investigated this proposal as part of its \$300 million Urban Roads Pinch Point Program, which aims to reduce congestion and improve travel times on Sydney's busiest corridors.

In September 2017, Roads and Maritime Services invited feedback on the proposal to provide staged pedestrian crossing on the western side of the Hoxton Park Road and Flowerdale Road intersection, Liverpool. Following the consultation period, we progressed with further investigation and design of the proposal.

After further investigation and careful review of the proposal's aims, design requirements and constraints, we have decided not to progress with the project.

Roads and Maritime will continue to monitor the Hoxton Park Road and Flowerdale Road intersection and include the intersection in any future investigations to improve the Hoxton Park Road corridor and surrounding road network.

Next steps

We will continue to keep the community informed of any project progress in the area.

Contact

If you have any questions, please contact Trung Huynh, Project Manager, on 1800 572 004 or pinchpoint@rms.nsw.gov.au. For further information on the proposed intersection upgrade at Hoxton Park Road and Flowerdale Road in Liverpool, visit the project page rms.nsw.gov.au/projects.
