

Night work continuing on Memorial Avenue at Kellyville from 1 June

May 2022

The NSW Government is upgrading Memorial Avenue to ease congestion, improve travel times and meet the future transport needs for Sydney’s growing north west.

What are we doing?

We will carry out the following works:

- utility services relocation and installation
- installation of stormwater drainage
- service investigation

Our work schedule

Night work will take place between Wednesday 1 June and Thursday 30 June in the following areas, weather and COVID-19 restrictions permitting. Some of the night work for May was rescheduled to June due to wet weather.

Activity	Duration
Utility service relocation (traffic signals) on Memorial Avenue at the T-Way	1 x 2 nights
Utility services relocation (traffic signals) on Old Windsor Road on the southern side of the intersection	1 x 2 nights
Utility services relocation on Windsor Road near the intersection of Memorial Avenue	2 x 2 nights
Removal of redundant street lighting at the intersection of Old Windsor Road and Memorial Avenue and on the southern side of Memorial Avenue between the T-Way and Arnold Avenue West	2 x 1 night
Utility services relocation on Windsor Road between Memorial Avenue and Presidents Road	1 x 2 nights
Utility services relocation on Memorial Avenue at the intersection with Arnold Avenue West and at the intersection of Memorial Avenue and Windsor Road	3 x 2 nights
Installation of stormwater on Memorial Avenue near the T-Way	3 x 2 nights
Connection of new utility services on Windsor Road, under the Sydney Metro, on Memorial Avenue near the intersections of Free Settlers Drive, Arnold Avenue West, McCausland Place and Strangers Creek	2 x 2 nights
Services investigation work – no more than 2 nights at one location	

Our night work hours are from 8pm to 5am Sunday to Friday. However, our work crews may be on site from 6pm to prepare for the shift and set up safety equipment.

Night work locations at Memorial Avenue

How will the work affect you?

We will be completing some work at night to reduce traffic disruption and any risks to the workers and road users during the day. The night work will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier work earlier in the evening and turning off vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to make the work zone safe. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
