

Relocating utilities near Memorial Avenue, Kellyville from 13th January

NSW Government is upgrading Memorial Avenue to a four lane road to meet the future transport needs of Sydney's northwest.

Each day nearly 30,000 motorists use Memorial Avenue to travel to their homes, jobs, schools, public transport, shops and services. Currently motorists experience heavy congestion, slow travel times and long delays.

Transport for NSW is upgrading Memorial Avenue from a two lane to a four lane road with the option to expand to six lanes if needed in the future. This will improve traffic flow, ease congestion and reduce travel times along Memorial Avenue and nearby roads especially during the morning and afternoon peaks.

To prepare for this upgrade we need to relocate the existing overhead electrical cabling underground. During the upcoming few months, we will relocate the cables along Memorial Avenue between Old Windsor Road and Windsor Road. Most of these works will take place during the day with some activities requiring night shifts.

This work will also involve removing some vegetation that will be replaced at the end of the Memorial Avenue upgrade and replacing the current street lights that are attached to the electrical poles with new metal ones.

The major construction works on the upgrade to Memorial Avenue will commence in late 2020.

Our work schedule

We will be on site for **78 day** and **25 night shifts** between **13 January 2020** and **13 April 2020**, weather permitting. We will not work on public holidays.

Our day work hours will be between **7am** and **6pm** from **Monday to Friday** and between **8am** to **1pm** on **Saturday**. Our night work hours will be between **8pm** and **5am** from **Monday to Friday**.

Contact

If you have any questions, please contact our delivery partner, Ausconnex on 02 9157 3673 or contact@ausconnex.com.au

For more information on projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including using noise blankets and completing the noisier tasks by midnight.

For the most part of our work we will not be working in one location for more than two nights per week or six nights per month.

There are some locations where we will need to work additional nights per week. We will discuss this need with impacted residents and will only work these additional nights if we can get agreement from the local residents.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
