

Nightwork continuing on Memorial Avenue at Kellyville from 1 July June 2022

The NSW Government is upgrading Memorial Avenue to ease congestion, improve travel times and meet the future transport needs for Sydney's growing north west.

What are we doing?

We will carry out the following works:

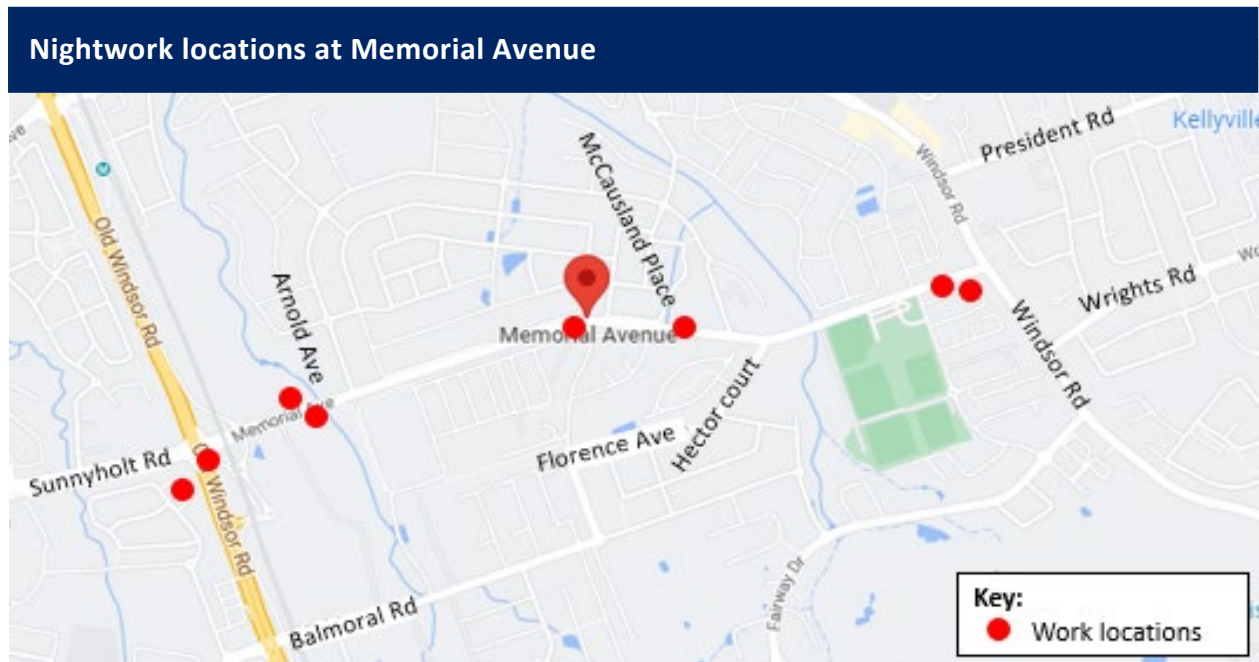

- utility services relocation and installation
- installation of stormwater drainage
- service investigation

Our work schedule

Nightwork will take place between Friday 1 July and Friday 29 July in the following areas, weather and COVID-19 restrictions permitting. Some of the night work for June was rescheduled to July due to wet weather.

Activity	Duration
Utility service relocation (traffic signals) on Memorial Avenue at the T-Way	2 x 2 nights
Utility services relocation (traffic signals) on Old Windsor Road near the intersection of Memorial Avenue	2 x 2 nights
Utility services relocation (water main) on Windsor Road near the intersection of Memorial Avenue	2 x 2 nights
Utility services road crossing (electrical) on Memorial Avenue at the intersection with Windsor Road	1 x 1 nights
Utility services work (intelligent transport systems (ITS)) on Windsor Road	1 x 2 nights
Utility services road under bore (traffic signals) across Windsor Road	1 x 2 nights
Utility services connections on Memorial Avenue at the intersection with McCausland Place	1 x 2 nights
Utility services connections on Memorial Avenue at the intersections with Arnold Avenue West, Pellizzer Boulevard and Free Settlers Drive	1 x 2 nights
Installation of stormwater on Memorial Avenue near the T-Way	2 x 2 nights
Services investigation work at different locations along Memorial Avenue, Old Windsor Road and Windsor Road	No more than 2 nights at one location

Our nightwork hours are from 8pm to 5am Sunday to Friday. However, our work crews may be on site from 6pm to prepare for the shift and set up safety equipment.

How will the work affect you?

We will be completing our work at night to reduce traffic disruption and any risks to the workers and road users during the day. The nightwork will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier work earlier in the evening and turning vehicles off when not in use.

Traffic changes

There will be some temporary traffic changes to make the work zone safe. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
