

Night work continuing on Memorial Avenue at Kellyville from 1 November October 2022

The NSW Government is upgrading Memorial Avenue to ease congestion, improve travel times and meet the future transport needs for Sydney's growing north west.

What are we doing?

We will carry out the following works:

- installation of utility services and removal of unnecessary services
- temporary road pavement and asphaltting work
- installation of stormwater drainage
- concreting for the new road
- service investigation

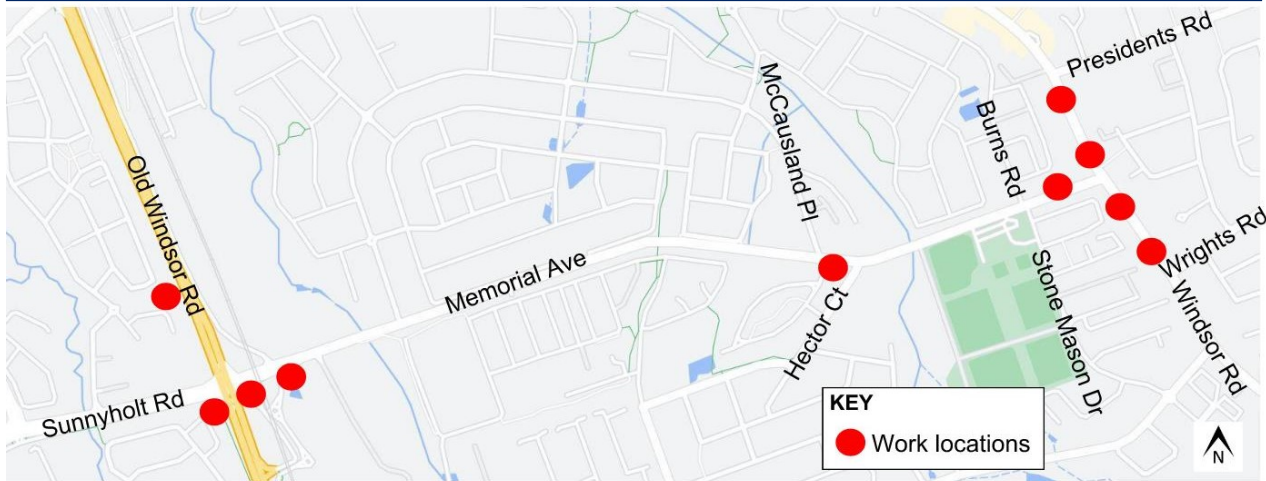

Our work schedule

Night work will take place between **Tuesday 1 November and Wednesday 30 November** in the following areas, weather permitting.

Activity	Duration
Removal of unnecessary water main on Memorial Avenue between Burns Road and Windsor Road	2 x 2 nights
Removal of unnecessary electrical lines and street lighting on Windsor Road between Wrights Road and Presidents Road	1 x 2 nights
Utility services under bore (water) on Windsor Road between Presidents Road and Memorial Avenue	2 x 4 nights
Temporary pavement works, asphaltting and line marking on Memorial Avenue, between McCausland Place and Hector Court	2 x 2 nights
Removal of existing pedestrian island and install temporary pavement and traffic signals on the southern side of Memorial Avenue at the T-Way	1 x 2 nights
Installation of stormwater on Old Windsor Road, north west of the Memorial Avenue intersection	1 x 3 nights
Installation of stormwater on the south eastern corner of the intersection of Old Windsor Road and Memorial Avenue	1 x 5 nights
Concreting the new road near the intersection of Memorial Avenue and Old Windsor Road	2 x 2 nights
Services investigation work at different locations along Memorial Avenue, Old Windsor Road and Windsor Road	No more than 2 nights at one location

Our night work hours are **8pm to 5am Sunday to Friday**. However, our work crews may be on site **from 6pm** to prepare for the shift and set up safety equipment.

Night work locations at Memorial Avenue

How will the work affect you?

We will be completing our work at night to reduce traffic disruption and any risks to the workers and road users during the day. The night work will involve some use of noisy machinery. We will make every effort to lessen the disturbance where possible, completing noisier work earlier in the evening and turning off vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to make the work zone safe. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates call **132 701**, visit **livetraffic.com** or download the Live Traffic NSW App.
