

## Start of work on the Memorial Avenue upgrade from Monday 1 March 2021

The NSW Government is upgrading Memorial Avenue to ease congestion, improve travel times and meet the future transport needs for Sydney's growing northwest.

Transport for NSW is starting the Memorial Avenue upgrade in Kellyville, making a four lane road with a central median to assist with current traffic and expected growth in the area.

The work we will be starting in March will include:

- Installing temporary traffic signs
- Site preparation and installing safety barriers
- Survey and utility investigations
- Clearing vegetation within the work area

We will provide updated information about the work schedule as work progresses and more construction activities take place.

### Location of work at Memorial Avenue

## Our work schedule

We will be on site from **Monday 1 March between 7am to 6pm on Monday to Friday and 8am to 1pm on Saturday.**

Our night work hours will be between **6pm and 5am from Sunday to Thursday.** We will be working up to five nights per week, we will not work more than two nights in the same area.

We will not work on public holidays.

## Contact us

If you have any questions about this work or the Memorial Avenue upgrade please contact our project team on **1800 784 847** or **memorial.avenue@daracon.com.au.**

For more information on our projects, visit **rms.nsw.gov.au.**

Thank you for your patience during this important work.

## What are we doing?

We will be carrying out night work from Monday 1 March 2021 which involves placing concrete safety barriers and preparation work to make the barriers level and safe, clearing vegetation within the work area for site access and conducting investigations for underground utility locations.

We need to carry out this work at night to minimise traffic disruption and reduce any risks to the workers and road users.

Our normal construction hours during the day are between **7am to 6pm on Monday to Friday and 8am to 1pm on Saturday.** Our night work hours will be between **6pm and 5am from Sunday to Thursday.** We will work up to five nights per week and no more than two nights a week in one location.

## How will the work affect you?

The work will involve some use of noisy machinery. We will make every effort to minimise noise where possible by staging the work along different parts of the work zone to minimise disruption in the same area and turning off vehicles when not in use.

Directly affected residents will be contacted and advised of the likely impact and what we are doing to minimise disruption during the work.

## Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe. Partial lane closures and a reduced 40km/h speed limit will be place. Travel times may be affected by up to five minutes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.
