

Transport for NSW

Investigation work on King Georges Road between Beverly Hills and South Hurstville, from Thursday 21 May May 2020

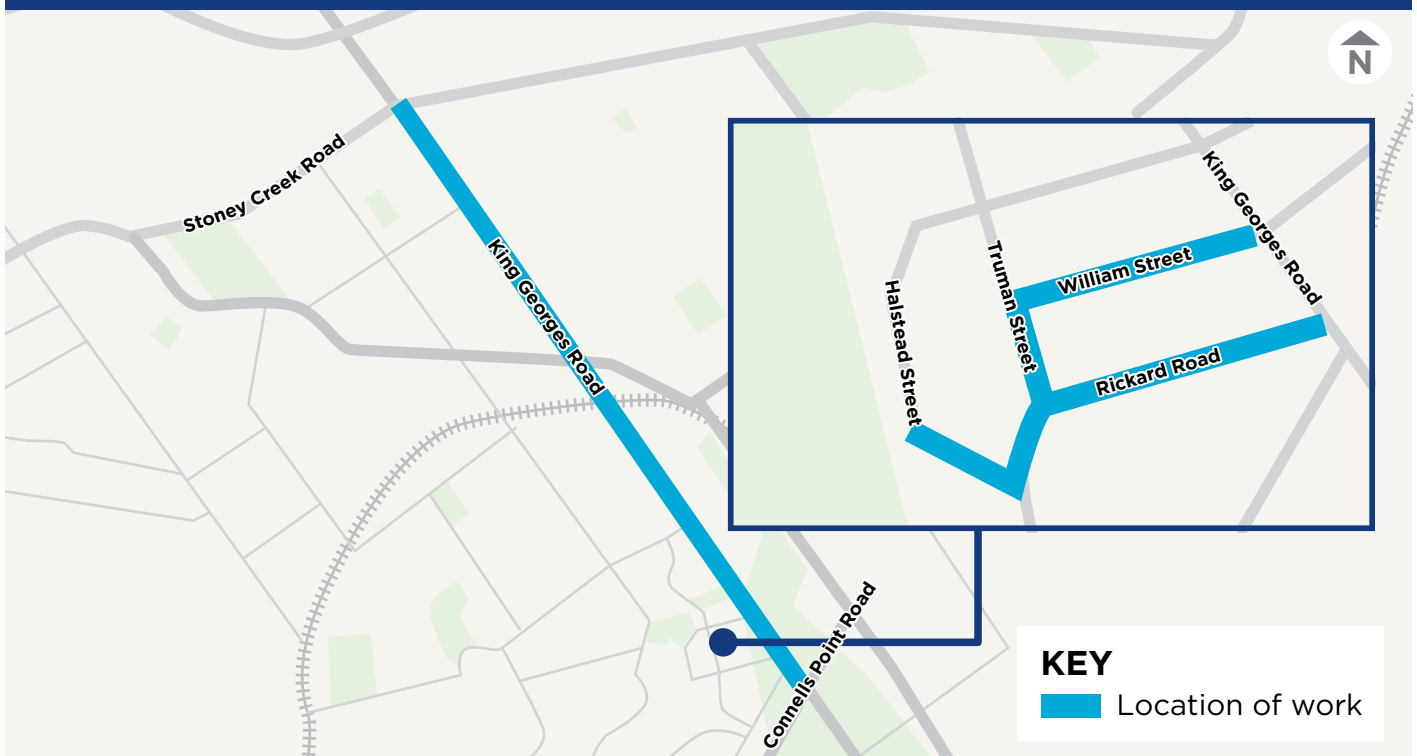

Transport for NSW will be carrying out a series of investigations in the coming months on King Georges Road between Stoney Creek Road, Beverly Hills and Connells Point Road, South Hurstville. Some side streets will also be impacted.

The work will include investigating ground conditions, identifying underground utilities, land surveying and inspecting the existing drainage network.

These investigations are being carried out to gather information to help further develop a design for future improvements.

We have included a map to show the location of the work.

Investigation work location

May 2020

Our work schedule

We will carry out this work between **Thursday 21 May** and **Monday 31 August**, weather permitting. We will be on site for up to **50 day shifts** and **50 night shifts**.

Our night shift hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day shift hours will be between **7am** and **6pm** from **Monday** to **Friday**. We will not work on public holidays.

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities by **midnight**.

We will stage night work so that you will not be affected for more than two consecutive nights or for more than six nights in a month.

Traffic changes

There may be temporary traffic changes while workers are on site to ensure the work zone is safe.

Lane closures and footpath closures will be in place and may affect travel times. There may be some parking restrictions along the work area to accommodate the work vehicle.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call **132 701**, visit livetraffic.com or download the **Live Traffic NSW App**.

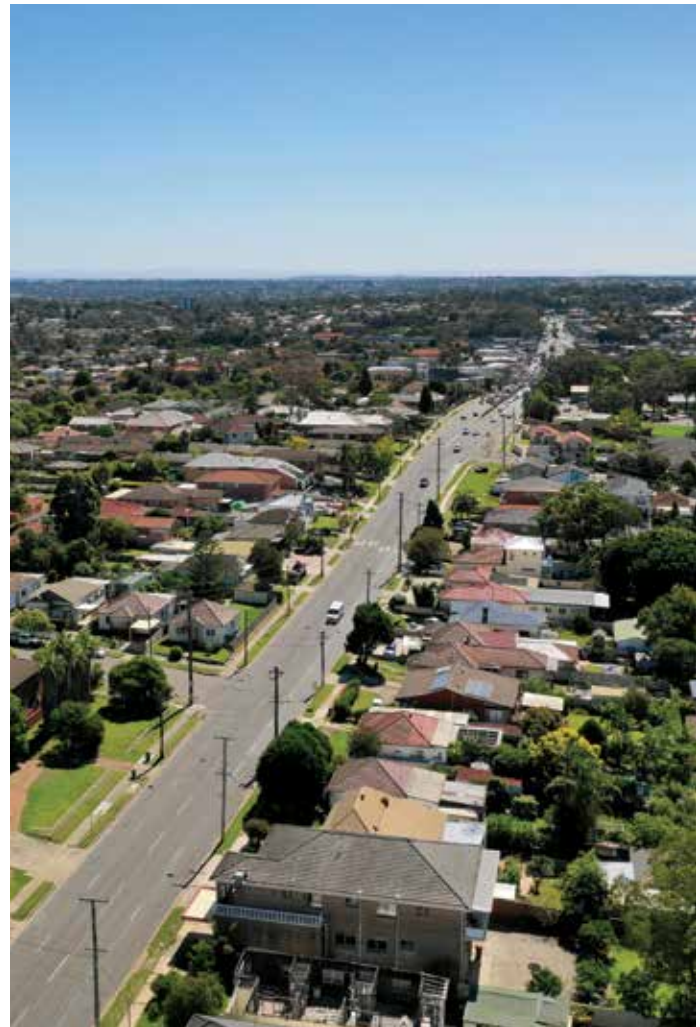

Engaging with the community

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we consult with the community.

Please be assured we will continue to respond to any questions or concerns you may have about our work.

Join our mailing list

To ensure we protect public health and safety during the Coronavirus outbreak, we need to change the way we communicate with the community. Keep up to date on the locations where we will be working each week by joining our mailing list. To sign up, email G2S@rms.nsw.gov.au or subscribe at nswroads.work/KGR.
