

## Installing clearways on Lane Cove Road and Ryde Road from Yanko Road, West Pymble to the Pacific Highway, Pymble

### The NSW Government is acting to reduce congestion and delays on Sydney's roads by introducing clearways.

Roads and Maritime Services sought comments from the community and stakeholders on a proposal to introduce clearways on Lane Cove Road and Ryde Road from Fontenoy Road, Macquarie Park to the Pacific Highway, Pymble in March 2015.

We received feedback from 27 people, mainly residents with properties adjoining Ryde Road. We have prepared a Community Consultation Report which summarises the feedback and our responses. A copy of this report is available at [rms.nsw.gov.au/clearways](http://rms.nsw.gov.au/clearways). We would like to thank everyone who took the time to review the proposal and provide feedback.

A section of the proposal where there was No Parking permitted, between Fontenoy Road and Yanko Road, was installed as part of the Church Street/Devlin Street/ Lane Cove Road (from Ryde Bridge to Macquarie Park) clearways project. These clearways were installed on 14 September 2015 and operate from 6am to 7pm on weekdays and 9am to 6pm on weekends.

Following a review of comments, we have decided to proceed with the rest of the proposal between Yanko Road and the Pacific Highway. In response to community feedback, we have amended the proposed weekday clearway hours. The clearways will operate in both directions from:

- 6am to 10am and 3pm to 7pm on weekdays
- 9am to 6pm on weekends.

We have included a map to help explain the new clearway hours.

### What happens next?

The new clearways will be in operation from **Monday 21 March**. Roads and Maritime will be installing signs and line marking from **Friday 18 March to Sunday 20 March**, weather permitting. Our working hours will be from **7pm to 5am**.

### How will the work affect you?

We will make every effort to minimise noise by arranging the work in stages at different locations.

### Traffic changes

There will be some temporary traffic changes to make sure the work zone is safe.

---

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Other new clearways in this area

This clearway is part of a broader clearways project on the A3 route from Ryde Bridge, Ryde to St Ives. The addition of this clearway will provide over 10 kilometres of new and extended clearways on this key arterial route.

## Contact

For further information or to request a copy of the report please contact the Clearways project team on 1300 706 232 or email [clearways@rms.nsw.gov.au](mailto:clearways@rms.nsw.gov.au).
