Dear Ms Forrest

**M12 Motorway (SSI 9364)
Identification of Spoil Haulage Vehicles (condition A49)**

I refer to your submission dated 8 June 2021, requesting approval of the signage to identify spoil haulage vehicles on the M12 motorway under condition A49 of SSI-9364.

I note that the proposed identification signage:

- has been reviewed by Transport for New South Wales, and no issues have been raised
- contains the information required by the conditions of approval.

As nominee of the Planning Secretary, I approve the identification signage under condition A49.

You are reminded that if there is any inconsistency between the approved document and the conditions of approval, then the requirements of the condition of approval will prevail.

If you wish to discuss the matter further, please contact Mike Pereira on 9995 6038.

Yours sincerely
