Dear Deanne,

**RE: Endorsement of M12 Motorway – Early Works Flora and Fauna Management Sub-Plan (Temporary Roundabout) Revision E**

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A25 of the M12 Motorway approval (SSI 9364):

- M12 Motorway – Early Works Flora and Fauna Management Sub-Plan (Temporary Roundabout) Revision E

I have reviewed this Early Works Flora and Fauna Management Sub-Plan (EWFFMP) which was prepared by CPB Contractors and Transport for NSW. Previous versions of the document have been reviewed and updated following comments from the ER.

This endorsement is limited to the requirements of the Condition of Approval A24 relating to this plan, namely A24 (d). This sub-plan forms Appendix B2 of the Early Works Environmental Management Plan (Temporary Roundabout), which has been endorsed separately.

As an approved ER for the M12 Motorway project, I consider this EWEMP sub-plan is consistent with the requirements under the subject approval and may be submitted to the Planning Secretary for approval.

Yours sincerely

George Kollias
