

# Mascot intersection upgrades

## Project update

Transport for NSW | February 2020

Transport for NSW is upgrading five intersections in Mascot to meet future traffic demand in one of Sydney's busiest areas. The improvements will help reduce congestion, better manage heavy vehicle movements and improve safety. More detail on each of these projects is available online at [rms.work/mascotintersections](https://rms.work/mascotintersections).

Three of the project's five intersections are nearing completion:

### **Bourke and Coward streets, Mascot**

The final steps are to make adjustments to the traffic signals and complete the painting of the bus lane.

### **Gardeners Road and Botany Road, Mascot**

The final step is to upgrade the street lighting at the intersection.

### **Kent Road and Ricketty Street, Mascot**

The newly-aligned pedestrian crossing is now operational and a new, larger traffic island is complete. We're working to complete concreting and asphaltting of the roadway.

## Forthcoming work

### **Stage 2 – Kent Road and Coward Street, Mascot**

From Sunday 9 February 2020, work will begin at the intersection of Kent Road and Coward Street, Mascot. We are constructing a new slip lane for vehicles turning left from Kent Road into Coward Street. New pedestrian crossings and a new traffic island will also be constructed. We will be onsite from Sunday 9 February 2020 for up to **six days** and **five nights a week**, for up to 264 shifts, until early 2021.

### **Stage three – Gardeners Road and O'Riordan Street, Mascot**

Work to upgrade the Gardeners Road and O'Riordan Street, Mascot, intersection is expected to begin later in 2020. More information will be available in the next project update.

## Work schedule

Our standard day work hours across the five Mascot intersection projects are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturdays**. Our standard night work hours are from **7pm to 6am, Sunday to Friday**. We do not work public holidays.

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier activities such as concrete cutting, chainsawing and jack hammering, by midnight.

## Traffic changes

There will be temporary traffic changes during our work hours, which may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

## Contact us

If you have any questions or would like more information, please contact our delivery partner, Ventia Boral Amey Joint Venture on **1800 677 700** or [nswenquiries@vbajv.com.au](mailto:nswenquiries@vbajv.com.au).

You may also find more information on the interactive portal on our website: [rms.nsw.gov.au/mascotintersections](https://rms.nsw.gov.au/mascotintersections)

Thank you for your patience while we complete this important work.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 677 700.
