

Mona Vale Road East Upgrade

- Out of hours work

Out of hours work is planned from **8pm to 6am** between **Monday 10 January to Friday 21 January**, weather permitting.

Manor Road to Foley Street

Out of hours work on Mona Vale Road between Manor Road and Foley Street will occur on the following dates:

Between Monday 10 and Friday 21 January 2022

Our work includes:

- road maintenance
- NBN work
- work along verges and shotcrete face
- preparation for second stage of traffic switch – including line marking, barrier placement
- pole removal and cable work near Foley Street

If work is delayed due to wet weather, we will try to work a different night.

Traffic changes

There will be temporary traffic changes to ensure the work zone is safe for workers and road users. These will be managed by traffic controllers.

Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Mona Vale Road West

We will not be working at the Western Early Work site off Tumburra Street, Ingleside during this time.

How our work will affect you?

We need to carry out our work at night to minimise traffic disruption and reduce safety risks to the workers and motorists.

During our night work we may use:

- tipper trucks
- large trucks
- backhoe
- elevated work platforms
- light vehicles and lighting towers
- saw cutting machine

We will notify highly impacted residents if there is a change of date.

If you are eligible for alternative accommodation, we will contact you at least 36 hours prior to the work.

Drone

A drone will be used each month to take progress photos and assist with survey work. The drone will stay within the project area.

COVID 19 Response and Recovery Order

To support industry and continue delivering critical infrastructure, the NSW Government introduced new rules last year allowing construction sites, including public infrastructure projects, to operate on weekends and public holidays.

The order has now been extended to 31 March 2022. We have been using these new rules for some time, particularly with our weekend road closure works and on Saturdays when we work from 7am until 6pm.

High impact noise activities such as rock breaking, rock hammering will stop at 1pm. All other activities will continue through to 6pm.

Contact us

If you have any questions, complaints or would like more information on the Mona Vale Road project please contact our delivery partner Georgiou:
