

## 24 hour clearway on South Dowling Street, Southern Cross Drive and General Holmes Drive

Roads and Maritime Services will be extending clearway times between Cleveland Street, Moore Park and M5 East Motorway, Mascot from Monday 25 February.

The hours of operation of the clearway will be extended from 6 to 10am and 3 to 7pm on weekdays to new 24 hour clearways.

The new 'At All Times' clearways will allow Roads and Maritime to respond more quickly to vehicles that stop illegally or break down along the corridor.

All other parking restrictions will remain unchanged including the indented parking bays on South Dowling Street between Cleveland and Maddison Streets.

## What is a clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign. Clearways are put on key arterial roads where traffic is often heavy and congested. They help keep vehicles moving by making all lanes available to motorists.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on **131 700**. For more information visit [rms.nsw.gov.au/clearways](http://rms.nsw.gov.au/clearways).
