BUILDING OUR FUTURE

July 2020

# Traffic changes on High Street, Penrith from Friday 31 July 2020

The Australian and NSW governments are jointly funding the upgrade of Mulgoa Road, Penrith from Union Road to Museum Drive.

Work is continuing on this project to improve the traffic flow along the Mulgoa Road and Castlereagh Road corridor, including the High Street and Jane Street intersections.

## High Street westbound lane closure

Due to wet weather last weekend, this work has been rescheduled to occur between **Friday 31 July** and **Monday 3 August 2020**, weather permitting.

To facilitate sewer main installation work, High Street westbound lanes between Castlereagh Road and the Council access road will be closed between:

- **7pm Friday 31 July to 10am Saturday 1 August 2020**
- **6.30pm Saturday 1 August to 11am Sunday 2 August 2020**
- **5.30pm Sunday 2 August to 8am Monday 3 August 2020**

## Traffic changes

Outside of the road closure period, between **7pm Friday 31 July** and **8am Monday 3 August 2020**, the westbound lanes will be open with reduced capacity.

Motorists are encouraged to plan ahead, allow extra travel time and use alternative routes where possible.

Electronic message signs will also be in place to direct road users through these changes.

A pedestrian and cyclist detour will be in place on High Street during this closure for their safety.

## High Street eastbound lane closure

To commission the newly installed watermain, High Street eastbound lanes between Castlereagh Road and the Penrith City Council access road will be closed from **7pm Friday 14 August to 5am Monday 17 August 2020**, weather permitting. A detour will be in place via Station Street and Jane Street.

Road users are expected to experience delay. Plan ahead, allow extra travel time and use alternative routes where possible. To access the Penrith CBD, motorists are encouraged to use Jane Street.

## High Street bus stop closure

Bus stop ID 2750398, located on High Street at Castlereagh Road, will be temporarily closed from **7pm Friday 14 August to 5am Monday 17 August**. For bus services 688, 689, 690P and 691, please use bus stop ID 275079 located at Penrith Station Stand E.

## How will the work affect you?

- There will be temporary traffic lane closures on Mulgoa Road, Castlereagh Road, High Street and Jane Street from **Monday to Sunday** between **6pm and 7am**.
- Pedestrian and cyclist detours are in place on Mulgoa Road, Castlereagh Road, High Street and Jane Street for their safety.

At times our work may be noisy. We will minimise impacts by aiming to complete noisier tasks by **11pm** and staging work in different locations.

Australian Government

**BUILDING OUR FUTURE**

## Traffic changes

During lane closures there will be traffic control and a reduced speed limit of 40 km/hr for the safety of workers, motorists, cyclists and pedestrians. For your safety please follow traffic signs.

Please follow direction of traffic controllers, speed and detour signs. All traffic changes will be temporary during our standard work hours. For the latest traffic updates call 132 701, or visit [livetraffic.com.au](http://livetraffic.com.au)
