

# Road Closure on Castlereagh Road, Penrith from Friday 21 August 2020

The Australian and NSW governments are jointly funding the upgrade of Mulgoa Road, Penrith from Union Road to Museum Drive.

Work is continuing on this project to improve the traffic flow along the Mulgoa Road and Castlereagh Road corridor, including the High Street and Jane Street intersections.

## Castlereagh Road closure

Due to wet weather, this work has been rescheduled to occur between **Friday 21 August** and **Monday 24 August 2020**, weather permitting.

To carry out some key work to construction pavement, install a water main and install stormwater drainage, we will need to temporarily close Castlereagh Road between Jane Street and Thornton Drive for a full weekend, from **7pm Friday 21 August** to **5am Monday 24 August 2020**.

A detour will be in place via Andrews Road, Parker Street and Jane Street.

Southbound access to Museum Drive will remain accessible at all times during the closure.

Australian Government

**BUILDING OUR FUTURE**

## Traffic changes

Road users are expected to experience delays on the detour route during the closure. Motorists are encouraged to plan ahead, allow extra travel time of 10 minutes for the detour route and use alternative routes or avoid the area where possible.

Electronic message signs will also be in place to direct road users through these changes. We appreciate the patience and understanding of the community while we carry out this work.
