

December 2020

Day and night investigation work continuing on Mulgoa Road, between Glenmore Parkway and Union Road from Monday 4 January 2021

The NSW Government is planning to widen and upgrade Mulgoa Road to support current and future traffic demands and expected growth in the area.

Transport for NSW will continue to carry out investigation work along the Mulgoa Road corridor, between Glenmore Parkway and Jeanette Street, and between Blaikie Road and Union Road.

Our work will include surveys, geotechnical investigations, and potholing to establish ground conditions. These studies will help inform the design of the future upgrades of Mulgoa Road.

Our work schedule

We will work for around **40** night shifts and **30** day shifts between Monday 4 January 2021 to Friday 5 March 2021, weather permitting. No work will take place on public holidays.

Work during the day will occur on weekdays between **7am** and **6pm** and on Saturdays between **8am** and **1pm**.

Work at night will occur on some weekdays and weekend nights between **6pm** and **6am**.

Contact

If you have any questions or want to register for updates on this project, please contact the project team on 1800 733 084 or email mulgoaroadupgrade@transport.nsw.gov.au

For more information, visit www.rms.nsw.gov.au/mulgoaroadcastlereaghroad.

The work will include the following activities:

- low impact topographic, environmental and heritage surveys
- drilling boreholes to gather information about underground rock and soil conditions
- potholing to locate subsurface utilities
- excavating test pits.

The plant and machinery used will be an excavator, truck mounted drill rig, vacuum excavation truck and support vehicles.

How will the work affect you?

To minimise the impact on road users, we will need to carry out some of this work at night.

There may be some noise associated with this work, but every effort will be made to minimise the impact on residents by completing the noisier work earlier in the night and turning off machinery when not in use.

We will maintain access to properties and businesses. If we need to access your property, we will contact you in advance to discuss access arrangements.

Traffic changes

There may be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 733 084.
